Dear Secretary Ireland:

On October 20, 2005, the Workers' Compensation Commission Board of Managers concluded that the above-titled rule will no longer be needed following the anticipated termination of the West Virginia Workers' Compensation Commission. The Board of Managers voted unanimously to withdraw and repeal the rule. The Commission requests that this rule be withdrawn effective December 31, 2005.

Therefore, please consider this letter as formal notification of these actions and take the appropriate steps to adjust your office's records.

Thank you very much for your assistance in this matter.

Very truly yours,
