Policies, Coverage Issues, Policy Defaults and

Dear Judy:

On August 10, 2006, the Insurance Commission filed a Notice of Public Hearing on a Proposed Rule (Form #1) for the above subject workers' compensation rule. After further review of the Series 8 rule by our office, it has been determined that further amendments are necessary and we would like to withdraw the proposed Series 8 rule at this time. Please accept this letter as a request on behalf of the Insurance Commissioner to withdraw the proposed Title 85, Series 8 rule amendment. The Industrial Council voted to approve withdrawal of this rule during its meeting on September 28, 2006.

Please contact our office if you have any questions regarding the above.

Sincerely,

Mary Jane Pickens  
General Counsel
