Re: Proposed Rule
Title 85, Series 14
"Procedural Rules for the Workers' Compensation
Board of Managers"

Dear Secretary Ireland:

Please consider this letter to be my written approval for the filing of the above-noted proposed Rule.

Pursuant to Senate Bill 2013, Second Extraordinary Session, 2003, the Workers' Compensation Commission is established as a government entity separate from the Bureau of Employment Programs. The Board of Managers of the Workers' Compensation Commission has approved the enclosed 85 C.S.R. 14 for filing as a proposed rule of the Workers' Compensation Commission.

Thank you very much for your assistance in this matter.

Very truly yours,

Gregory A. Burton
Executive Director

Enclosure

**SUMMARY OF PROPOSED RULE
STATEMENT OF CIRCUMSTANCES
TITLE 85, SERIES 14
Procedural Rules for the Workers'
Compensation Board of Managers**

Pursuant to Senate Bill 1004, First Special Session, 2005, the Workers' Compensation Commission may terminate. Thereafter, Workers' Compensation insurance in West Virginia will be provided through the successor to the Commission and other private insurance carriers.

The rule is amended to address the legislative amendments to Chapter twenty-three of the West Virginia Code that provide for the termination of the Board of Managers upon termination of the Workers' Compensation Commission.

FISCAL NOTE FOR PROPOSED RULES

Rule Title: Title 85, Series 14: Procedural Rules for the Workers' Compensation Board of Managers.

Type of Rule: Legislative Exempt Interpretive Procedural

Agency Workers' Compensation Commission

Address 4700 MacCorkle Avenue, S.E.

Charleston, WV 25304

1. Effect of Proposed Rule

	ANNUAL		FISCAL YEAR		
	INCREASE	DECREASE	CURRENT	NEXT	THEREAFTER
<u>ESTIMATED TOTAL COST</u>	Undetermined	Undetermined	Undetermined	Undetermined	N/A
PERSONAL SERVICES	0	0	0	0	N/A
CURRENT EXPENSE	Undetermined	Undetermined	Undetermined	Undetermined	N/A
REPAIRS & ALTERNATIONS	0	0	0	0	N/A
EQUIPMENT	0	0	0	0	N/A
OTHER	0	0	0	0	N/A

2. Explanation of above estimates:

The above estimates are based on the assumption that the rule changes become effective in the current fiscal year (FY'05). There should be no significant change in the estimated costs associated with conducting any specific meeting of the Workers' Compensation Board of Managers than what were previously incurred in conducting a meeting. Upon termination of the Workers' Compensation Commission (commission) the Board of Managers would also terminate and would eliminate any costs associated with conducting their meetings, such as travel to and from the meetings, the cost of the facilities used to conduct the meetings and the number of meetings held. If the governor issues the proclamation set forth in chapter twenty-three, article 2C of the Code of West Virginia, then, effective upon termination of the commission, the industrial council will have the responsibility to review and approve, reject or modify recommendations from the Insurance Commissioner for the development of the overall policy for the administration of chapter 23 of the Code of West Virginia and this rule would terminate. In the interim, or up until the time that the proclamation is signed by the governor, it cannot be reasonably determined what impact the transition period will have on the number of meetings held by the Board or their related cost.

3. Objectives of this rule:

The purpose of this rule is to establish the rules and procedures for conducting the meetings of the Workers' Compensation Board of Managers, including the transition period resulting from SB1004.

Rule Title: Title 85, Series 14: Procedural Rules for the Workers' Compensation Board of Managers.

4. Explanation of Overall Economic Impact of Proposed Rule.

A. Economic Impact on State Government.

It is expected that there will be no economic impact on State Government. This rule defines the Workers' Compensation Board of Managers role in fulfilling its duties and responsibilities during the transition period for establishing an employers' mutual insurance company as a result of enacting SB1004.

B. Economic Impact on Political Subdivisions; Specific Industries; Specific groups of Citizens.

It is expected that there will be no direct impact from this rule.

C. Economic Impact on Citizens/Public at Large.

This rule will not have a direct economic impact on the citizens of West Virginia.

CHAIRMAN ALSOP: I would like to open the public hearing for Rule 14 which is in regard to procedural rules of the Workers' Compensation Board of Managers.

As with Rule 10, it's my understanding that no one has signed up to speak with respect to Rule 14. But again, out of an abundance of caution, are there any individuals who would desire to speak to this rule?

Being no one, I'll close the public hearing for Rule 14.
