Dear Secretary Hechler:

RE: Vocational Standards for Permanent Disability Claims,
Proposed Exempt Legislative Rule, 85 CSR 17

Please be advised that the Workers' Compensation Division hereby withdraws this proposed rule and will not proceed with its promulgation.

The reason for this action is the enactment of Enrolled Committee Substitute for Senate Bill 250 and its extensive rewrite of West Virginia Code, §23-4-6. The proposed rule needs to be reformulated to meet the new requirements of that statute and the division believes this would best be accomplished by starting the rule making process anew. The division wishes to reserve series number 17 for later use.

With much appreciation for your assistance in this matter, I remain

Very truly yours,

Andrew N. Richardson
