Re: Termination of 85CSR23 and 85CSR24

Dear Ms. Cooper:

This is to inform you that, pursuant to Senate Bill 1004 (2005 1st Special Session), Title 85, Series 23 ("Loss Prevention") and Title 85, Series 24 ("Qualified Loss Management Programs") of the Code of Regulations for the State of West Virginia both terminated on January 1, 2006.

Specifically, 85 CSR 23-2.a. and 85 CSR 24-2.a. each state: "In accordance with the provisions of Senate Bill 1004, as passed in the First Special Session of the two thousand-five Legislature, the board of managers terminates upon termination of the commission [Workers' Compensation Commission]. Upon that occurrence, this rule will also terminate." Consequently, since the former Workers' Compensation Commission and the board of managers both terminated on January 1, 2006, the above referenced rules no longer exist.

If you have any questions regarding the above, please contact our office. Thank you for your assistance in this matter.

Sincerely,

Ryan Sims
Associate Counsel
