Teacher should integrate
classroom technology
resources, such as digital
resources, technology tools,
and the Internet, to
personalize STUDENT
learning, enhance instruction,
implement technology-based
learning strategies, and
implement high quality
digital content and
assessments.

decisions to the
county.

§126-41-5 Accountability and Responsibility

	Mary Beckelhimer Director of Technology mbeckelh@access.k12.wv.us Putnam County Schools Winfield WV 25213	Add clarity 5.1 - In our county "must be authorized by the educator, parent or guardian" is "must be authorized by an educator and parent or guardian." Neither alone is enough authority.	A/-	Edit included.
02-13	Mary Beckelhimer Director of Technology mbeckelh@access.k12.wv.us Putnam County Schools Winfield WV 25213	5.6.1 - One of our schools is involved in an IZ grant for a New Tech high school; it requires a unique domain that is not used by anyone else in the state or district. This puts us in a Catch-22 situation.	NA/-	No change. The county would accept responsibility.
