**Re: Title 114, Series 81 Procedural Rule – Repeal**

Dear Ms. Cooper:

The Offices of the Insurance Commissioner requests that W. Va. Code of St. R. 114-81 procedural rule be repealed in its entirety effective April 20, 2012. The procedural rule was promulgated by the Insurance Commissioner pursuant to the following legislation:

**§33-2-15d. Report to the Legislature.**

(a) By the first day of January, two thousand seven, the Commissioner shall submit a report to the Legislature. The report shall contain analysis of the impact of legislation enacted during the two thousand five regular legislative session upon rates and insurance availability in the state.

(b) The Insurance Commissioner shall by proposal of legislative or procedural rules, pursuant to article three, chapter twenty-nine-a of this code, put forth analytical criteria and methodology of all factors to be considered in the report. This purpose of this section is to assure that all relevant factors of concern to the Legislature regarding the effect of the reforms enacted in this article, any savings to consumers, the promotion of insurance availability and impacts on insurance industry services and performance are fully reviewed and addressed.

The report mandated by the above section has been submitted and therefore the procedural rule is no longer relevant.

Sincerely,

Timothy R. Murphy  
Associate Counsel
