Dear Ms. Cooper:

The Fire Commission will not be proceeding with the Proposed Rules referenced above. Both were placed out for public comment during this rule cycle, and following the close of the comment periods, no action was taken by the agency to file Agency Approved versions of either rule.

Please let this letter serve as a formal notice that the West Virginia State Fire Commission wishes to take no further action during this Legislative Cycle on these rules.

Sincerely,

Stacy L. Nowicki
