Price changes may occur no more often than four (4) times per twelve (12) month period. Distillers, importers, suppliers and others are hereby required to provide such price increases at least sixty (60) days prior to the commencement of the next quarter. Failure to provide advance notice may result in the delisting of certain or all of the products of the distiller, importer, supplier or other purveyor of alcoholic liquors. The updated copy of the spirits catalog will be provided approximately two weeks in advance of each effective date.

4.2.1. The Wholesale Spirits Catalog contains all alcoholic liquor products normally available from the ABCC in addition to complete product information and pricing structure. Following is a line by line explanation of the spirits catalog.

4.3.2. The "Special Order" form as developed and provided by the ABCC must be used to order non-listed alcoholic liquors.

4.3.3. A Uniform Special Order Fee not exceeding ten dollars (\$10.00) per case may be charged for each case specially ordered.

4.3.4. When the Special Order is received at the ABCC warehouse, the order will be automatically added to the retail liquor stores next order. The Special Order dollar amount including service and handling charges may be included in the dollar total provided to the retail liquor store when it accepts delivery of the regular order in which the special order is included for delivery.

4.3.5. There will be no refunds or return on any Special Order product unless the product is deemed to be unsalable by ABCC.

4.4. Official Notice of Price Change.

4.4.1. ABCC's spirit suppliers are authorized to adjust product prices on a quarterly interval as quarters are defined by Section 4.2. of this rule. Retail liquor stores will be notified of wholesale price changes by use of an "Official Notice of Price Change." Price change notices generally will be provided to the licensed retailer two (2) weeks in advance of the change. Official Notice of Price Change will be provided, regardless of whether the change is permanent or temporary.

4.4.2. The price change sheet will contain the code number and corresponding product that is changing price, the old wholesale price, new wholesale price and the effective date of the change. Any product ordered on the date of a price change, and any date thereafter, will be invoiced at the new price until such time the product changes price again. The Official Notice of Price Change should be used to update prices on the Wholesale Spirits Catalog until updated versions are issued. The order date determines what wholesale price will be charged to the retailer.

4.5. Temporary price reductions -- Special Purchase Allowances (SPA).

4.5.1. Distillers and Importers occasionally give temporary price reductions called SPA, or special purchase allowance, on certain products for a limited period of time. These price reductions may be passed on to the retail liquor stores on a dollar-for-dollar basis.

4.5.2. Retail liquor stores will be notified approximately two (2) weeks in advance of upcoming temporary price reductions. Notification will be made by use of the Official Notice of Price Change. Also, a flyer will be issued containing the period of time that the product will be eligible for purchase at discount. Ordering by the retail liquor store must take place during the temporary price reduction period to take advantage of the discount.

4.5.2.a. The SPA price reduction reflected in the Wholesale Spirits Catalog will be allowed on orders whether or not the retailer specifically requests it.

4.6. Payment for purchases.

4.6.1. The licensed retailer is required to pay for the alcoholic liquors prior to delivery of all liquors into the retail liquor store. Payment must be made by an electronic funds transfer which will be initiated by the ABCC on the business day following the retailer's order day, or by a money order, certified check or cashier's check which must be received at the ABCC at least twenty-four (24) hours prior to shipping of the alcoholic liquors.

4.6.2. In order to utilize electronic funds transfers, the licensed retailer is required to provide to the ABCC necessary written authorization to debit the retailers' checking account for purchases of alcoholic liquors. The licensed retailer, at the time of initial licensing, must provide to the ABCC the properly completed authorization form when electronic funds transfers are to be utilized.

4.6.2.a. An EFT may be made only for the amount of the purchase.

4.6.2.b. Delivery of alcoholic liquors purchased by methods other than EFT will not occur if the money order, certified check or cashier's check is not received at least twenty-four (24) hours prior to the shipping date.

4.6.2.c. Any EFT which is not completed due to nonsufficient funds will preclude further processing of liquor orders to the licensee by ABCC until payment is actually received. ~~In any calendar year~~

~~where the Commissioner receives two (2) nonsufficient fund responses to a properly executed EFT from a licensee's bank account, further liquor orders of the licensee will only be shipped after the Commissioner's receipt of a certified check, cashier's check or money order for the full amount of the order at least twenty-four (24) hours prior to delivery.~~

4.6.3. In those situations where a licensed retailer picks up alcoholic liquors at the ABCC warehouse, only a money order, EFT, certified check or cashier's check may be used as payment.

4.7. Ordering alcoholic liquors.

4.7.1. Each retail liquor store will be assigned a specific day of the week, during which alcoholic liquors may be ordered from the ABCC. Alcoholic liquors ordered on Monday or Tuesday will be delivered on the following Wednesday or Thursday, respectively, and alcoholic liquors ordered on Thursday or Friday will be delivered on the following Monday or Tuesday, respectively. The days will be adjusted for any week which has a holiday, and notification of such adjustments will be provided to each retailer. Extenuating circumstances may also occasionally adjust the order day schedule for a week.

4.7.1.a. The Commissioner may modify the time of the day and the days of the week during which alcoholic beverages may be ordered from the ABCC. Notice shall be provided to each retailer at least thirty (30) days prior to the changes taking effect.

4.7.2. Orders for alcoholic liquors must be placed by telephone between the hours of 8:30 a.m. and 3:30 p.m. on the days assigned. Orders will not be accepted after 3:30 p.m. Orders may be tape recorded or otherwise documented when received.

4.7.3. Orders may be changed at any time up to 2:30 p.m. of the retail liquor store's regular order day.

4.7.4. An order to be delivered must contain at least five (5) cases.

The retail liquor store will be given a dollar total of delivered cost when the order has been placed, a confirmation that all items are in the ABCC warehouse and available for shipment and an invoice number for the order. Out-of-stock product may be reordered by the retail licensee on its next order date.

4.7.6. Order pick-up procedure ("will-call").

4.8. Delivery of alcoholic liquors.

4.8.1. Deliveries are made Monday, Tuesday, Wednesday, and Thursday on a regular basis and generally between the hours of 6:00 a.m. and 6:30 p.m. and are dependent upon the assigned ordering day and the distance of the retail liquor store from the ABCC warehouse. Deliveries may only be made to the retail liquor store, not to a warehouse or other location where alcoholic liquors are stored; provided, that the Commissioner may for good cause shown, permit a retail licensee holding three or more private club licenses to receive and store alcoholic liquors at warehouses or sites off premises.

4.8.2. Transport drivers will assist in unloading the alcoholic liquors at the retail liquor store. The order must be placed inside the door of the retail liquor store.

4.8.3. The transport driver will provide the retail liquor store with a complete set of the Invoice Forms in order that the delivery can be checked for accuracy. All alcoholic liquors must be kept separate from the store's normal reserve until the delivery is completed and checked for accuracy. "Dry" breakage claims or other defects discovered after the driver has left will not be accepted unless reported to the ABCC within twenty-four (24) hours after delivery to the retail liquor store and then only when the claim complies with any additional requirements provided in Section 4.9 of this rule. With the exception of concealed shortages or dry breakage, no claims for shortages or breakage will be allowed if the broken or shorted goods are not identified and noted on the Invoice Form before the driver has left the retail liquor store.

4.8.4. Both the transport driver and the authorized representative of the retail liquor store must sign the Invoice Form after it has been checked and any adjustments or corrections made. The Invoice Exception will be processed by the ABCC and a credit memo will be applied to the next order after the claim has been approved.
