1 MR. MASON: This public hearing will now
2 come to order on this 8th day of July, 2013, at the West
3 Virginia Department of Environmental Protection
4 Headquarters. Comments and testimony will be accepted until
5 the close of this hearing and will be made part of the
6 rulemaking record. Any substantive question regarding
7 revisions to the rules will be included with your comments,
8 and any such question will be answered as part of the response
9 to comments in the rulemaking record.

The purpose of this public hearing is to satisfy state rulemaking requirements by accepting comments on proposed revisions to rule 45CSR8 - *Ambient Air Quality Standards*. This rule incorporates by reference the national primary and secondary National Ambient Air Quality Standards established by the EPA. The proposed rule contains U.S. EPA's revised primary PM 2.5 NAAQS to provide requisite protection of public health with an adequate margin of safety. Upon authorization and promulgation of 45SCR8, the Division will submit the rule to the EPA as a revision to the State Implementation Plan pursuant to the federal Clean Air Act. The floor is now open for comments. Please state your name and any affiliation.

23 There being nothing further, this public
24 hearing for proposed rule 45CSR8 is concluded.

9 The purpose of this public hearing is to
10 satisfy state rulemaking requirements by accepting comments
11 on proposed revisions to rule 45CSR14 - *Permits for*
12 *Construction and Major Modification of Major Stationary*
13 *Sources for the Prevention of Significant Deterioration of*
14 *Air Quality*. This rule establishes a state construction
15 permit program consistent with the federal Clean Air Act and
16 implementing regulations titled "Prevention of Significant
17 Deterioration of Air Quality." Revisions to the rule
18 incorporate implementation of 2012 Particulate Matter NAAQS
19 requirements with respect to the significant deterioration
20 permitting program. Revisions to the definition of
21 "Regulated NSR Pollutant" generally excludes the condensable
22 fraction of PM, and includes PM 2.5 and PM 10 condensable
23 particulate matter for purposes of PSD permitting. Due to
24 a DC Circuit court decision, significant impact levels and
25 significant monitoring concentration levels for PM 2.5 have

15 The purpose of this public hearing is to
16 satisfy state rulemaking requirements by accepting comments
17 on proposed revisions to rule 45CSR18 - *Control of Air*
18 *Pollution From Combustion of Solid Waste*. This rule is part
19 of West Virginia's Clean Air Action Section 111(d)/129 plan
20 for solid waste combustion sources. Revisions to the rule
21 reflect EPA's partial reconsideration of its Commercial and
22 Industrial Solid Waste Incinerator rule. The floor is now
23 open for comments.

24 There being nothing further, this public
25 hearing for proposed rule 45CSR18 is concluded.

This public hearing will now come to order on this 8th day of July, 2013, at the West Virginia Department of Environmental Protection Headquarters. Comments and testimony will be accepted until the close of this hearing and will be made part of the rulemaking record. Any question regarding revisions to the rules will be included with your comments and any such question will be answered as part of the response to comments in the rulemaking record.

The purpose of this public hearing is to satisfy state rulemaking requirements by accepting comments on proposed revisions to rule 45CSR19 - *Permits for Construction and Major Modification of Major Stationary Sources Which Cause or Contribute to Nonattainment Areas*. This rule establishes a state construction permit program consistent with the federal Clean Air Act, and sets forth the criteria and procedures for major stationary sources to obtain a permit to construct, operate and/or modify a major source located in the nonattainment area or impacting a nonattainment area. Revisions to the rule remove pollutant interprecursor trading rations with respect to emissions offset requirements. The DAQ will submit final rule 45CSR19 as a revision to the State Implementation Plan. The floor is now open for comments.

There being nothing further, this public

1 hearing for proposed rule 45CSR19 is concluded.
