2.2. § 162-8-3. Definitions.

3.1. The definitions of key terms used in the Public Employees Retirement System (W. Va. Code § 5-10-1 et seq.; 162 CSR 5), the Teachers' Retirement System (W. Va. Code § 18-7A-1 et seq.; 162 CSR 4), the Deputy Sheriff Retirement System (W. Va. Code § 7-14D-1 et seq.; 162 CSR 10), the West Virginia State Police Retirement System (W. Va. Code § 15-2A-1 et seq.; 162 CSR 9) and the West Virginia Emergency Medical Services Retirement System (W. Va. Code § 16-5V-1 et seq.) apply to this service credit rule as the context requires.

§ 162-8-4. Public Employees Retirement System.

4.1. Service Credit for Accrued Unused Sick and Annual Leave. – Members of the Public Employees Retirement System may elect to receive additional service credit in exchange for accrued and unused sick and annual leave at the time of retirement. Members who make this election are eligible for any additional

service credit to which the member is entitled based upon the number of the member's accrued unused sick and annual leave days which stand to the member's credit with the member's last participating public employer at the time of retirement. In calculating a member's service credit for accrued unused sick and annual leave, the Board shall not include any accrued and unused sick and annual leave days which stand to the member's credit with any participating public employer prior to the member's last participating public employer which are not transferable to or recognized by the member's last participating public employer. In interpreting, applying and administering this rule and subject to the limitations found in ~~subdivision 8.4.2 and 8.4.3~~ subsections 4.2 and 4.3 of this rule, the Board shall accept the policy of the member's last participating public employer for the accrual of unused sick and annual leave. In order for a participating public employer's annual and sick leave policy to be recognized by the Board, the policy must be a written standard that is an accepted standard by the employer.

4.2. Limitation on the Accrual of Unused Sick and Annual Leave. – Members employed by any participating public employer with a policy for the accrual of unused sick and annual leave which is more generous than that of the State of West Virginia for its state agency employees shall receive service credit only for accrued unused sick and annual leave as provided for by the State of West Virginia for state employees who are covered by the rules of the West Virginia Division of Personnel.

4.3. Calculation of Service Credit for Accrued Unused Sick and Annual Leave. – The Consolidated Public Retirement Board may request information from the member and/or the member's last or prior participating public employer in order to determine the proper amount of retirement system service credit the member is entitled to receive for his or her accrued and unused sick and annual leave. The conversion of accrued sick and annual leave to additional service shall be based upon the information received by the Board from the member's employer.

4.4. Lump Sum Payment for Accrued Leave. – If the member is paid in a lump sum for accrued unused leave, the Board shall not consider the lump sum payment as compensation or salary in computing a member's final average salary.

§ 162-8-5. Teachers' Retirement System.

5.1. Service Credit for Accrued Unused Sick and Annual Leave. – The Board shall give members of the Teachers' Retirement System who elect, under the provisions of W. Va. Code § 5-16-13(f), to convert accrued and unused sick and annual leave to additional retirement system service credit any additional credit to which the member is entitled based upon the number of accrued and unused sick and annual leave days which stand to the member's credit with the member's last employer at the time of retirement. Any unused sick and annual leave days accrued and which stand to the member's credit with any participating public employer prior to the member's last participating public employer, and which are not transferable to or recognized by the member's last participating public employer, are not used to calculate service credit. In interpreting, applying and administering this rule and subject to the limitations found in ~~subdivision 8.5.2:~~ subsection 5.2 of this rule, the Board shall be deferential to the policy of the member's last participating public employer for the accrual of unused sick and annual leave. In order for a participating public employee's annual and sick leave policy to be recognized by the Board, the policy shall have been formally adopted in writing by the employer.

5.2. Calculation of Service Credit for Accrued Unused Sick and Annual Leave. – The conversion of accrued leave to service credit shall be made in a manner consistent with the provisions of Teachers'

Retirement System, 162 CSR 4 and W. Va. Code § 5-16-13(f). The Consolidated Public Retirement Board may request information from the member and/or the member's last or prior employers in order to determine the proper amount of retirement system service credit the member is entitled to receive for his or her accrued sick and annual leave. The conversion of accrued sick and annual leave to additional service credit shall be based upon the information received by the Board from the member's employer.

5.3. Deferred Retirement. – A member of the Teachers' Retirement System who ceases employment prior to retirement or who takes a deferred retirement may not use accumulated unused sick and annual leave for ~~enhanced retirement benefits~~ additional retirement service credit, unless the Teachers' Retirement System member continues to be a covered participant in employee with the West Virginia Public Employees Insurance Agency as defined in W. Va. Code § 5-16-2(3) at the time his or her retirement annuity commences; ~~either as a covered member or as a covered dependent of a member under that Agency, pursuant to W. Va. Code § 5-16-13(f).~~

5.4. Lump Sum Payment for Accrued Leave. – If the member is paid in a lump sum for accrued unused leave, the Board shall not consider the lump sum payment as compensation or salary in computing a member's final average salary.

Service Credit for Accrued Unused Sick and Annual Leave. – Members of the Deputy Sheriff Retirement System may elect to receive additional service credit in exchange for accrued and unused sick and annual leave at the time of retirement. Members who make this election are eligible for any additional service credit to which the member is entitled based upon the number of the member's accrued unused sick and annual leave days which stand to the member's credit with the member's last covered employment employer at the time of retirement. In calculating a member's service credit for accrued unused sick and annual leave, the Board shall not include any accrued and unused sick and annual leave days which stand to the member's credit with any participating public employer prior to the member's last covered employment employer which are not transferable to or recognized by the member's last covered employment employer. In interpreting, applying and administering this rule and subject to the limitations found in ~~subdivision 8-6-2 and 8-6-3~~ subsections 6.2. and 6.3. of this rule, the Board shall accept the policy of the member's last covered employment employer for the accrual of unused sick and annual leave. In order for a covered employment employer's annual and sick leave policy to be recognized by the Board, the policy must be a written standard that is an accepted standard by the employer.

6.2. Limitation on the Accrual of Unused Sick and Annual Leave. – Members employed by any covered employment employer with a policy for the accrual of unused sick and annual leave which is more generous than that of the State of West Virginia for its state agency employees shall receive service credit only for accrued unused sick and annual leave as provided for by the State of West Virginia for state employees who are covered by the rules of the West Virginia Division of Personnel.

6.3. Calculation of Service Credit for Accrued Unused Sick and Annual Leave. – The Consolidated Public Retirement Board may request information from the member and/or the member's last covered employment or prior participating public employer in order to determine the proper amount of retirement system service credit the member is entitled to receive for his or her accrued and unused sick and annual leave. The conversion of accrued sick and annual leave to additional service shall be based upon the information received by the Board from the member's employer.

6.4. Lump Sum Payment for Accrued Leave. – If the member is paid in a lump sum for accrued unused leave, the Board shall not consider the lump sum payment as compensation or salary in computing a member's final average salary.

§ 162-8-7. West Virginia State Police Retirement System.

In interpreting, applying and administering this rule and subject to the limitations found in ~~subdivision 8.7.2 and 8.7.3~~ subsections 7.2. and 7.3. of this rule, the Board shall accept the policy of the West Virginia State Police for the accrual of unused sick and annual leave. In order for the West Virginia State Police's annual and sick leave policy to be recognized by the Board, the policy must be a written standard that is an accepted standard by the employer.

7.2. Limitation on the Accrual of Unused Sick and Annual Leave. - If the West Virginia State Police policy for the accrual of unused sick and annual leave is more generous than that of the State of West Virginia for its state agency employees, trooper members shall receive service credit only for unused sick and annual leave as provided for by the State of West Virginia for state employees who are covered by the rules of the West Virginia Division of Personnel, except as provided in subdivision 7.2.1.

7.3. Calculation of Service Credit for Accrued Unused Sick and Annual Leave. – The Consolidated Public Retirement Board may request information from the member and/or the West Virginia State Police or prior participating public employer in order to determine the proper amount of retirement system service credit the member is entitled to receive for his or her accrued and unused sick and annual leave. The conversion of accrued sick and annual leave to additional service shall be based upon the information received by the Board from the member's employer.

7.4. Lump Sum Payment for Accrued Leave. – If the member is paid in a lump sum for accrued unused leave, the Board shall not consider the lump sum payment as compensation or salary in computing a member's final average salary.
