PROVIDE A BRIEF SUMMARY OF YOUR PROPOSAL

The American Registry of Radiologic Technologists has increased the fee for their "state only exam". The proposed changes would include language reflecting the fee to be that of the third party provider of the exam.

The Board has also included a fee of \$100.00 for any exam administered by the Board, includes correction of grammar, and a includes a name change at 4.7 that was missed previously.

BY CHOOSING 'YES', I ATTEST THAT THE PREVIOUS STATEMENTS ARE TRUE AND CORRECT.

SUMMARIZE IN A CLEAR AND CONCISE MANNER WHAT IMPACT THIS MEASURE WILL HAVE ON COSTS AND REVENUES OF STATE GOVERNMENT.

The "state only exam" fee is paid to the third party exam provider. The proposed Rule change that increased the state only exam fee is not expected to have an impact on the Revenue or Expenses of the Board.

The proposed \$100.00 fee for Board administered exams is expected to offset the cost of the Board for preparation, administration, travel and reporting of results.

TITLE 18
LEGISLATIVE RULES
RADIOLOGIC TECHNOLOGISTS

SERIES 1
WEST VIRGINIA MEDICAL IMAGING AND
RADIATION THERAPY TECHNOLOGY BOARD OF EXAMINERS

§18-1-1. General provisions.

1.1 Scope. -- Except as otherwise specifically provided, this rule applies to all persons in West Virginia who apply medical imaging and radiation therapy or assist in the application of medical imaging or radiation therapy to human beings for diagnostic or therapeutic purposes under the supervision of a licensed practitioner. This rule establishes the general requirements for licensure of Medical Imaging and Radiation Therapy Technologist in West Virginia.

1.2 Authority. -- W. Va. Code § 30-23-5

1.3 Filing Date. -- ~~March 31, 2008~~ _____

1.4 Effective Date. -- ~~April 15, 2008~~ _____

§18-1-2. Definitions.

As used in this rule:

a. "Ionizing Radiation (X-Ray)" means any type of radiation which, during its interaction with matter, can cause the formation of an ion pair. This ionizing radiation is used to generate an exposure for diagnostic or therapeutic purposes.

b. "JRCERT" means the Joint Review Committee on Education in Radiologic Technology.

c. "JRCNMT" means the Joint Review Committee on Educational Programs in Nuclear Medicine Technology.

d. "Reciprocity" means the granting of a license ~~or temporary permit~~ to persons who hold a license or certificate in another state.

e. "Temporary Permit" means a permit granted and issued by the Board for the practice of radiologic technology which is limited in duration.

f. "Unethical Conduct" means, but is not limited to:

1. Engaging in the practice of medical imaging or radiation therapy while in an intoxicated condition, and/or under the influence of narcotic or any other drugs which impair consciousness, judgement or behavior;

2. Immoral conduct while engaged in the practice of medical imaging or radiation therapy technology or behavior indicating an unfitness to practice medical imaging or radiation therapy technology;
3. Willful falsification, destruction or theft of property or records relating to the practice of medical imaging or radiation therapy technology;
4. Failure to exercise due regard for the safety of the life or health of the patient;
5. Unauthorized disclosure of information relating to a patient or his or her records;
6. Discrimination in the practice of medical imaging or radiation therapy technology against any person for reason of race, religion, creed, color or national origin;
7. Violating the provisions of the Rules of the Board; or
8. The grounds enumerated in W. Va. Code § 30-23-24(a)(3).

§18-1-3. Board functions.

3.1 Duties and powers of the Board. -- The duties and powers of the Board are defined in the W.Va. Code §30-23-1 et seq. It is the duty of the Board to carry out the provisions of the law to the best of its ability.

§18-1-4. Licenses, apprentice licenses and temporary permits.

4.1 Application for licenses, apprentice licenses and temporary permits.

a. The Board shall furnish any person requesting an application for a license, apprentice license or temporary permit the necessary forms, and any other information or questionnaires as the Board considers desirable.

b. The application forms shall be designed to provide the information necessary to satisfy the Board that all requirements pertaining to the West Virginia Code are being fulfilled.

c. All applications shall be signed by the applicant, except any renewal applications submitted on-line. An Applicant who submits a renewal application on-line by credit card payment is considered to have signed the application.

d. The application shall be accompanied by a money order, certified check, or a personal check. Any application or renewal application may be paid by certain credit cards which have been approved by the Board .

e. If an applicant fails to complete all forms and to provide all information, the Board shall reject and return the application to the applicant.

f. The Board shall deny a license to any person knowingly furnishing false information in an application. ~~or if~~ If the applicant has already been licensed before the falsification of the information has been made known to the Board, the license, apprentice license or temporary permit is subject to suspension or revocation. In addition, the Board may undertake prosecution of the applicant pursuant to W.Va. Code § 30-23-28.

4.2 Issuance of licenses, apprentice licenses and temporary permits.

a. The Board shall issue to each applicant a license, apprentice license or a temporary permit within thirty (30) days of receipt of a properly completed application and payment of the appropriate fee.

b. Licenses and apprentice licenses are valid for a period of one (1) year and expire at the end of the month from the date of issuance.

c. An apprentice license for an individual practicing in Nuclear Medicine or Magnetic Resonance Imaging as of July 1, 2007, may be renewed no more than four (4) times as stipulated in W. Va. Code § 30-23-19 (b)

d. A licensed Medical Imaging Technologist cross-training in Nuclear Medicine or Magnetic Resonance Imaging may renew his or her apprentice license ~~once~~ as stipulated in W. Va. Code § 30-23-19 (c).

e. A licensee shall renew his or her license annually without examination by applying for renewal on a form prescribed by the Board or by on-line renewal with the payment by a Board approved credit card. If submitted by U.S. mail, the licensee is responsible for obtaining, completing, signing and forwarding the renewal application to the Board with the required fee and documentation of their Continuing Education (CE) as required by the Board's rule, CONTINUING EDUCATION, 18CSR2. For on-line renewals the Board shall attempt to verify Continuing Education. If the Continuing Education information cannot be obtained, the Board shall notify the licensee that the required documentation of Continuing Education compliance must be submitted to the office before the Board issues the renewal license.

f. The Board may deny an application for renewal for any reason which would justify the denial of an original application for a license.

g. The Board shall assess a fee for reinstatement of an expired license.

h. The Board shall only issue temporary permits to individuals who have completed training in Radiologic Technology or Nuclear Medicine Technology:

1. An applicant for a temporary permit shall present evidence of graduation from a Board approved School of Radiologic Technology or Nuclear Medicine Technology. This evidence may be a diploma or a notarized letter from the school's program director stating the applicant has completed the course's education and clinical requirements.

2. An applicant for a temporary permit may apply to the Board for a permit up to six (6) months after graduation from a Board approved School of Radiologic Technology or Nuclear Medicine Technology. After six (6) months, the applicant must show proof of passage of a Board approved registration examination and apply for a permanent WV License.

3. The Board shall issue the temporary permit based on the date of application and payment of the required fee. The effective dates of the temporary permit will be for a period of twenty-four (24) weeks or six (6) months from the date that the Board's office receives the application and fees. Temporary permits may not be renewed or extended.

4.3 Reciprocity.

- a. The Board may consider reciprocity with other states on an individual basis.
- b. The Board shall not honor a license issued to a person by another state in lieu of a license issued by the Board.
- c. A licensee who violates laws regulating radiologic technologists in any other state while he or she is visiting or residing in another state shall be considered guilty of unethical conduct by the Board.

4.4 Responsibilities of licensees and permittees.

- a. It is the responsibility of each licensee or permittee to be familiar with the requirements of the law regulating the practice of Medical Imaging and Radiation Therapy in West Virginia and with the rules of the Board.
- b. It is the responsibility of each licensee or permittee to make timely application for a license, apprentice license or renewal of license, to complete the forms properly, to submit the required Continuing Education documentation, and to pay the fees required, and to hold himself or herself available for examination at the times and places designated by the Board. Any information or reminders which the Board may issue are courtesies and shall not diminish the responsibilities of the licensee or permittee.

4.5 Display of license or temporary permit.

- a. Each licensee or permittee shall prominently display at his or her principal place of employment his or her original, current license, apprentice license or temporary permit to practice medical imaging or radiation therapy technology. A photocopy of the original, current license may be displayed at the licensee or permittee's secondary place of employment. The wallet-sized card issued with the license is not acceptable for display.
- b. A licensee shall exhibit a current licensure or renewal registration card when requested by the following:

1. A Board member or an employee of the Board;
2. Any person upon whom the licensee applies medical imaging or radiation therapy; or
3. An employer in whose employ the licensee practices or intends to practice medical imaging or radiation therapy technology.

c. An employer, Board member or Board employee shall not accept a photocopy or other facsimile of a license or wallet-sized card as the only evidence that a person is licensed to practice medical imaging or radiation therapy technology. Where, for convenience or security, a photocopy or facsimile is displayed, the original document shall be readily available for review.

4.6 Duplicate license.

a. In requesting a name change, the licensee shall return the current license or permit to the Board after making a copy for posting with the required fee and court documentation showing the new name prior to issuance of a corrected license or permit.

b. When requesting a duplicate license or permit due to loss of license or permit, a licensee shall submit a notarized statement substantiating the loss to the Board with the required fee prior to issuance of a duplicate license or permit.

4.7 Schedule of fees for services rendered by the West Virginia ~~Radiologic~~ Medical Imaging & Radiation Therapy Technology Board of Examiners.

a.	Application Fee	\$100.00
b.	Annual Renewal Fee	\$ 65.00
c.	All Temporary Permits Fee	\$ 40.00

6. Facility not posting license in patient's viewable area	\$ 100.00

§18-1-5. Educational Requirements for applicants for licensure.

5.1. Standards for an approved school shall follow the current standards as established by the JRCERT, JRCNMT, or standards determined programmatically equivalent by the Board.

5.2. Before any new school of Medical Imaging or Radiation Therapy Technology begins operation in West Virginia, it shall make application to the Board and submit a needs assessment survey. Upon approval of the school by the Board, the school shall then submit an application to the JRCERT, JRCNMT, or equivalent as determined by the Board, to begin the accreditation process.

5.3. All approved schools of Medical Imaging and Radiation Therapy Technology shall submit a copy of their Accreditation program annual report to the Board at the same time required by their ~~accrediting~~ accrediting body.

5.4. The Board may require additional program assessment data as considered necessary.
