<b>§127-4-3 7 c</b>				
05-27	Vickie Mount Storm WV	Do not pass this! Kids are punished when they do not play summer leagues or attend summer practices. Our coaches can't coach during season so please don't allow them to abuse our children all year! The AD's would have more work I'm sure they would have to monitor even more! Do not take kids away from family activities anymore than they already are! DO NOT PASS!	N-	
05-29	Carroll Staats board member Jackson County BOE Ripley WV	I am opposed to the proposed changes in the WVSSAC rules which allow expanded time for student athletes to practice. This will take time away from other activities (family activities, for example) which students should have the opportunity to participate. Please do not approve these proposed changes. Thanks.	N-	
<b>§127-4-3 10</b>				
06-02	Melanie Hummel Moundsville WV	The Court's ruling was a perfect opportunity for the WVSSAC to develop a meaningful and comprehensive policy change in regard to the review of ejections. This policy does NOT accomplish that. The policy as proposed does not adequately address a uniform and objective procedure for reviewing ejections. It should be rejected.	N-
