5.1. Computation of Time

a. In computing any period of time prescribed or allowed by this rule, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday. When the period of time prescribed or allowed is fewer than eleven (11) days, intermediate Saturdays, Sundays, and legal holidays shall be excluded in the computation. "Legal holiday" includes New Year's Day, Martin Luther King's Birthday, Lincoln's Birthday, Washington's Birthday, Memorial Day, West Virginia Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Christmas Day, any day on which a general, special or primary election is held in the state, in the county in which the case is pending, or Kanawha County, and any other day appointed as a holiday by the Governor or by

If a written motion seeking dispositive relief is filed eleven (11) or more days prior to the time scheduled for a hearing or before a hearing has been scheduled, regardless whether such service is made by mail, hand delivery, fax or e-mail, whether the dispositive relief is based on lack of subject matter jurisdiction or otherwise, the opposing party is expected to respond no later than ten (10) days after the filing of the motion. If the opposing party fails to respond with ten (10) days of filing, the OAH, at its sole discretion, may issue an order either granting or denying the motion for dispositive relief without receiving a response.

5.3. Unless a different period is set by this rule or by the OAH, any response to a written motion, including any supporting brief or affidavits, shall be served at least four (4) days before the time set for the hearing if served by mail or at least two (2) days before the time set for the hearing if served by hand delivery, by fax, or by e-mail to the opposing party.

5.4. Whenever a party has the right or is required to do some act or take some action within a prescribed period after the service of a notice or other paper upon the party and the notice or paper is served upon the party by mail, the OAH may add three (3) days to the prescribed period.

5.5. In cases in which registered or certified mail is not signed for, the provisions of W. Va. Code §17A-2-19 apply, which provide that the giving of notice is complete after the expiration of four (4) days after deposit of the notice in the United States mail.

§105-1-6. Service and Certificates of Service.

6.1. A party filing with the OAH a pleading, notice, motion, proposed order, proposed evidentiary submission, or other document shall also serve such document on the opposing party. Unless otherwise specified in this rule or by law, service may be made in person, by regular, certified, or registered mail, by fax, or by e-mail. Unless otherwise specified in this rule or by law, whenever service is required to be made on a party represented by an attorney, service shall be made on the attorney.

6.2. Every pleading, notice, motion, proposed order, proposed evidentiary submission, and other document filed with or otherwise submitted to the OAH shall have attached to it a certificate of service that states the petitioner's name and file number, the method of service, whether in person, by regular, certified, or registered mail, by fax, or by e-mail, the name and

address of the party being served, the date of such service, and the name and signature of the party executing such service. All pleadings, notices, motions and certificates of service shall be signed by the party, or if represented by counsel, then by such counsel. Legal Counsel shall also provide their State Bar number alongside their name under the signature line.

6.3. A pleading, notice, motion, proposed order, proposed evidentiary submission, and other document filed with the OAH may not be considered by the OAH if it was not served in accordance with this rule.

6.4. The party filing or serving a pleading, notice, motion, proposed order, proposed evidentiary submission, and other document shall be responsible for retaining any proof of such filing or service, including copies of successful transmittal sheets in the case of filing or service by fax and copies of e-mails showing relevant e-mail addresses in the case of filing or service by e-mail. Any such proof shall be brought to each hearing and a party shall make such proof available after request by the OAH or an opposing party.

§105-1-7. Written Objections.

7.1. Time limits for filing Written Objections.

a. In a DUI case, a petitioner must file written objections to an appealable order with the OAH in person, by registered or certified mail, return receipt requested, or by fax transmission or electronic mail within thirty (30) calendar days after receipt of a copy of the appealable order.

b. In any other contested case, unless otherwise specified by law, a petitioner must file written objections to an appealable order with the OAH in person, by registered or certified mail, return receipt requested, or by fax transmission or electronic mail within ten (10) days after receipt of a copy of the appealable order. A successful transmittal sheet shall be necessary for proof of the filing of written objections in the case of filing by fax.

7.2. Untimely written objections may not be considered by the OAH. Written objections are untimely if they are made prior to the issuance of the appealable order or are made beyond the deadlines set forth in subsection 7.1.

7.3. Information provided on written objections shall include the petitioner's name, mailing and e-mail addresses, telephone number, driver's license number, file number, and date of birth. Written objections shall provide the date of the appealable order and the date the petitioner received a copy of the appealable order. If the petitioner is represented by an attorney, written objections shall include the attorney's name, mailing and e-mail addresses, telephone and facsimile numbers, and West Virginia State Bar identification number. Written objections may be made in a current form approved by the Chief Hearing Examiner and posted on the OAH's website, at <http://www.transportation.wv.gov/oah/>.

7.4. All written objections shall be signed by the petitioner or petitioner's attorney.

7.5. All written objections shall be accompanied with the filing fee set forth in subsection

16.3.a. or a fee waiver request form as set forth in subsection 7.6. In the case of a Petitioner filing a written objection via email or facsimile the Petitioner or their Counsel shall mail the fee under separate cover to the OAH. If the fee is not received by the OAH within ten (10) days of the filing of the written objection, then the matter may be dismissed at the discretion of the OAH.

7.6. If a Petitioner wishes to seek a waiver of the filing fee set forth in subdivision 16.3.a. they may file the fee waiver request form promulgated by the OAH. Such request must accompany the written objection form. If the request is granted, no filing fee shall be due from the Petitioner. However, if the request is denied, the Petitioner shall have ten (10) days from the date of said denial to remit the filing fee to the OAH.

7.7. At the discretion of the OAH, incomplete written objections may not be considered by the OAH. Written objections are incomplete if they do not include the information and data required by subsections 7.3. and 7.4.

7.8. If a petitioner wishes to challenge the results of a secondary chemical test or wishes to challenge the legality of a sobriety checkpoint in a DUI case, the written objections should indicate if the results of a secondary chemical test or the legality of a sobriety checkpoint or both are being challenged. Such disclosure must be made by the deadline set forth in subdivision 10.2.a.

7.9. Upon receipt of written objections, the OAH will notify the Commissioner, who will stay the imposition of the applicable period of revocation or suspension and afford the person an opportunity to be heard by the OAH in a DUI case or any contested case wherein a stay is required to be imposed pursuant to West Virginia Code § 17C-5A-2A.

7.10. Timely filed written objections constitute a written motion by the petitioner for a hearing and for a final order.

§105-1-8. Hearing Notices and Location.

8.1. A hearing shall be held within one hundred eighty (180) days after the date on which the OAH received the timely written objections unless there is a hearing continuance or postponement.

8.2. The OAH will send the notice of hearing to the petitioner, to the petitioner's attorney, if any, to the Commissioner, and to the Attorney General's Office if the Attorney General has filed a notice of appearance. The OAH will send the hearing notice by depositing it in the United States mail, postage prepaid, in an envelope addressed to the person's last known address or, with written consent of a person, to such person's last known e-mail address.

8.3. The hearing notice will contain the date, time, and location of the hearing, the case name and file number, and a statement as to the consequences of failing to appear at the prescribed date, time and place of the hearing.

8.4. In a DUI case, the hearing notice will contain a statement as to the consequences of

failing to timely notify the OAH of the petitioner's intention to challenge the results of a secondary chemical test or to challenge the legality of a sobriety checkpoint.

8.5. Upon notice to the parties, the OAH may consolidate issues from appealable orders arising from the same incident or occurrence into one administrative hearing.

8.6. The hearing shall be held at an office of the OAH or the Division of Motor Vehicles located in or near the county in which the arrest was made in this state or at some other suitable place in the county in which the arrest was made if an office of the OAH or the Division of Motor Vehicles is not available.

§105-1-9. Continuances and Postponement of Hearings; Rehearing.

9.1. The OAH may on its own, or after receipt of a motion by a party for good cause shown, postpone or continue any hearing. Only parties may request a hearing continuance.

9.2. The OAH may on its own motion postpone, reconvene, or continue a hearing for good cause including, but not limited to, docket management, availability of hearing examiners or other essential personnel, error in scheduling or notice, or mechanical failure of essential equipment such as recording equipment or file storage equipment.

9.3. A party wishing to request a hearing continuance shall file a motion for a continuance with the OAH, with service to the opposing party, within the time frames set forth by subsections 5.2. of this rule.

9.4. The OAH may grant a party's motion for a continuance if it finds that good cause is shown to grant such request. Good cause may include serious illness, previously scheduled conflicting court appearances, the failure of an essential witness to appear after being properly subpoenaed, or other significant events. A party shall file evidence of good cause with the motion for a continuance. In the event good cause is not shown, the OAH at its discretion, may grant a party's motion for continuance if the opposing party indicates on the record they have no objection to the granting of the motion.

9.5. Emergency Continuance.

a. The OAH may grant an emergency continuance on less than nine (9) days' notice to a party for unexpected personal emergencies of a party, a party's attorney, an investigating officer, or other essential subpoenaed witness. An emergency situation requiring the services of an investigating officer *en route* to a hearing qualifies as an unexpected personal emergency.

b. An emergency continuance request made by telephone must also be submitted in writing. A motion for an emergency continuance shall include evidence of good cause for such continuance and shall be filed with the OAH no later than five (5) days after the date the hearing was scheduled.

c. If a written motion for an emergency continuance with evidence of good cause is

not received by the OAH in a timely manner, the OAH may deem it a failure of the party requesting the continuance to appear at the hearing. The OAH may deem it a failure of the party requesting the continuance to appear at the hearing even if an order continuing the hearing was issued provided that such order was based solely on the oral representations of the party making the motion.

9.6. Parties are obligated to appear at a scheduled hearing unless they receive an order from the OAH prior to the hearing that continues such hearing. The Petitioner may appear in person or solely by counsel. The Respondent may appear in person, by counsel, or by designee.

9.7. The OAH may continue a hearing in progress from one day to another day or adjourn the hearing to a later date.

9.8. The OAH may order the rehearing of a DUI case or other contested case prior to the issuance of a final order if mechanical failure caused testimony presented during a hearing not to be recorded. The OAH may also order the rehearing of a DUI case or other contested case prior to the issuance of a final order when a hearing examiner who presided at the original hearing is unable to issue a final order and the OAH determines that the credibility of a witness is a significant factor in the case.

§105-1-10. Pre-Hearing Notifications.

10.1. Jurisdictional Limits. -- If the respondent contends that a written objection was untimely filed, respondent shall file evidence of such untimeliness with the OAH, with service upon the Petitioner, or Petitioner's Counsel, without delay upon discovery of the same.

10.2. Challenge of Secondary Chemical Test and Sobriety Checkpoint.

a. Any petitioner requesting a hearing in a DUI case who intends to challenge the results of a secondary chemical test of the blood, breath or urine, intends to challenge the chemical analysis, or intends to challenge official compliance with and adherence to a sobriety checkpoint or its operational guidelines shall notify the OAH of his or her intent. The petitioner shall file the notification of any such type or types of challenges being made with the OAH, with service to the respondent, at least ten (10) days prior to the hearing date or those matters may not be challenged.

b. If a petitioner fails to comply with the ten (10) day notice requirement of subdivision 10.2.a. pertaining to the secondary chemical test, the results of the test, if any, will be admissible as though the petitioner and the respondent had stipulated to the admissibility of such test results.

c. If a petitioner fails to comply with the ten (10) day notice requirement of subdivision 10.2.a. pertaining to challenging official compliance with and adherence to a sobriety checkpoint or its operational guidelines, any challenge shall be deemed as being waived.

10.3. Experts. -- Parties shall file a notice of intent to present expert testimony at a hearing

with the OAH, with service to the other party, at least twenty (20) days prior to the hearing date. Such notice shall include the name of the expert, his or her area of expertise, and a summary of the anticipated testimony of such expert. Failure to file or serve the required expert notification may result in exclusion of the expert witness, limitation on the expert's testimony, or continuance of the hearing, as the interests of justice require.

10.4. Appearance. -- If a party wishes to testify by telephone or video-conference or for a his or her witness to testify ~~at a hearing~~ by telephone or video-conference, instead of testifying in person or by evidentiary deposition, such party shall file a motion seeking such permission at least ten (10) days prior to the hearing date. The party making the motion is responsible for ensuring that the technology is available at the hearing location to accommodate the request. A party wishing to file a response to such motion shall do so at least five (5) days prior to the hearing date. Unless the OAH grants such a motion, a witness is required to appear in person at the hearing in order to testify.

10.5. Stipulations. -- Parties shall make a reasonable and good faith effort to agree to a stipulation of relevant, undisputed facts prior to the hearing so as to avoid the necessity for the introduction of evidence at the hearing.

10.6. Case resolution. -- Parties, or their legal counsel, if represented, shall inform the OAH immediately of a deferral, plea, conviction, rescission, withdrawal of written objections, or other matter that terminates the need for a hearing in a DUI case or other contested case. Parties are obligated to appear at a scheduled hearing unless they receive a written order from the OAH prior to the hearing that cancels or continues such hearing.

10.7. Amendment of Order of Revocation.

a. The issuance of an Amended Order of Revocation by the Respondent, arising out of the same underlying offense, shall not be cause to dismiss the pending matter.

b. The issuance of an Amended Order of Revocation by the Respondent shall be grounds for the granting of a Motion to Continue so long as the time frames and procedures set forth by subsections 5.2. and 9.3. of this rule are followed by the party requesting the continuance.

10.8. Blood Draw and Blood Analysis Affidavits. -- In the event a party wishes to submit blood draw and blood analysis evidence, he or she may do so by submitting the affidavit of the person or persons who drew the blood and person or persons who analyzed the blood for evidence of alcohol, controlled substances or drug content: *Provided, That*, a party is required to provide notice of such evidence at least ten (10) days prior to the hearing date to the opposing party. In the event the opposing party, upon receiving such notice, wishes to cross examine such person or persons who drew blood or analyzed blood, it shall be incumbent upon such opposing party to subpoena the person or persons to testify at the administrative hearing: *Provided, further, That*, any person so subpoenaed, shall be allowed to testify by telephone.

10.9. Contents and Requirements of Blood Draw and Blood Analysis Affidavits.

a. In the case of blood draw affidavits, the affidavit shall contain the name of the person who drew the blood sample, the person's job description or title, the name and address of his or her employer, the date and time the blood sample was drawn, the place where the blood sample was drawn, the name of the person whose blood was drawn including the person's birthdate and place of residence, and the place to which - or the person to whom, the sample was delivered, including the date of the delivery.

b. In the case of blood analysis, the affidavit shall contain the name of the person who analyzed the blood sample, the person's job description or title, the name and address of his or her employer, the date and time the blood sample was analyzed, the place where it was analyzed, the name of the person whose blood was analyzed including the person's birthdate and place of residence, and the place in which the blood sample was stored following analysis.

c. Any affidavit submitted under this Rule shall be in the form of a written or printed declaration, made voluntarily and confirmed by oath or affirmation of the person making it, and given before a person having authority to administer oaths and affirmations.

§105-1-11. Subpoenas and Discovery.

11.1. If a party intends to present testimony from any person, it is the responsibility of that party to obtain the presence of the person at the hearing. This responsibility will be considered fulfilled by a party if the person whose testimony is desired has been subpoenaed by the party who desires his or her presence.

11.2. The OAH may issue subpoenas commanding the appearance of witnesses and subpoenas duces tecum commanding the production of documents, items or other things pursuant to W. Va. Code §17C-5A-2(c).

11.3. The OAH will issue subpoenas, including subpoenas duces tecum, at the request of a party or the party's legal representative. All requests by parties for subpoenas and subpoenas duces tecum shall be in writing and shall contain a statement acknowledging that the requesting party agrees to pay any necessary fees, including fees for the attendance and travel of a witness. The party requesting the subpoena shall be responsible for service of the subpoena on the appropriate individual. Subpoenas duces tecum shall be returnable on the date of the next scheduled hearing unless otherwise specified in the subpoena.

11.4. Every subpoena or subpoena duces tecum shall be served at least five (5) days before the return date thereof, either by personal service made by a person over eighteen years of age or by registered or certified mail, return receipt requested, and received by the party responsible for serving such subpoena. A return acknowledgment signed by the person to whom the subpoena or subpoena duces tecum is directed, or in the case of a law enforcement officer, the officer's designee as designated by the law enforcement agency with which the officer is employed, shall be required to prove service by registered or certified mail. Instead of personal service or service through mail, the respondent may serve subpoenas and subpoenas duces tecum to law enforcement officers through electronic mail to the department of the officer's employer. Proof of service by

electronic mail may be made by evidence of a “read receipt”.

11.5. No continuance shall be granted on the basis that a subpoenaed witness has failed to appear absent a showing of proof of service of the applicable subpoena.

11.6. Upon a ~~third~~ second consecutive failure of a person under subpoena to appear when ~~neither of the two previous nonappearances~~ first nonappearance resulted did not result from a personal emergency, the hearing may be conducted and completed without the testimony of the person at the discretion of the hearing examiner - unless the parties otherwise agree or the party proponent of such witness petitioned for enforcement of the ~~third~~ second consecutive subpoena in circuit court. In the event the subpoenaed witness fails to appear in spite of the party proponent having petitioned for enforcement of the subpoena, the matter ~~shall~~ may be continued unless the opposing party shows he or she will be substantially prejudiced by allowing another continuance in the matter. “Substantial prejudice” as used herein means prejudice that may not be significantly mitigated, which virtually affects a party’s right to due process of law and which, by its existence, will likely affect the outcome of the proceeding.

11.7. Any person who serves a subpoena or subpoena duces tecum is entitled to the same fee as sheriffs who serve witness subpoenas for the circuit courts of this state. Fees for the attendance and travel of witnesses, except for law-enforcement officers, shall be the same as for witnesses before the circuit courts of this state. All fees related to a subpoena or subpoena duces tecum issued at the instance of an interested party shall be paid by the party who asks that such subpoena or subpoena duces tecum be issued.

11.8. Investigating officers shall be compensated for the time expended in their travel and appearance before the OAH by the law-enforcement agency by which they are employed at their regular rate if they are scheduled to be on duty during said time or at their regular overtime rate if they are scheduled to be off duty during said time. A law enforcement officer is not entitled to a fee for serving a subpoena or subpoena duces tecum.

11.9. If a person does not obey the subpoena or subpoena duces tecum, the party who caused the service of such subpoena may petition the circuit court wherein the action lies for enforcement of such subpoena.

11.10. The disclosure and exchange of information between the parties is encouraged; however, there shall be no formal discovery in appeals before the OAH except as noted in this rule.

§105-1-12. Motions and Orders.

12.1. All requests for a written order shall be made by motion. Prior to filing a motion with the OAH, the moving party shall in good faith confer or attempt to confer with the other party to resolve matters in disagreement. Every written motion shall state a summary of such consultation and whether the opposing party objects. A motion shall clearly set forth all grounds, facts, and authorities in support of the motion. Every motion, response, and proposed order shall be signed by the party filing such document or, if the party is represented by an attorney, shall be signed by the party’s attorney.

12.2. All written motions shall be served and filed within the time frames set forth in subsections 5.2. and 5.3. of this rule. All written responses to such motions shall be served and filed within the time frames set forth in subsection 5.3. of this rule.

12.3. The Chief Hearing Examiner or his or her designee shall respond by order to all written motions from a party that comply with subsections 12.1. and 12.2. by granting, denying, or otherwise addressing the same.

12.4. Oral motions may be made by a party during a hearing. A hearing examiner may address such oral motions on the record during a hearing or by order.

12.5. The submission of proposed orders to the OAH shall be as follows:

a. Unless otherwise directed by the OAH, all proposed orders shall be submitted to the OAH promptly, but no later than seven (7) days after having been directed to do so by the OAH. When the party responsible for the preparation and presentation of an order unreasonably delays or withholds its presentation, the order may then be prepared and entered by the OAH.

b. The party responsible for the preparation and presentation of an order shall submit the original of the proposed order to the OAH within seven (7) days, with a copy to the opposing party along with a notice to note objections and exceptions to the order within five (5) days after receipt of the proposed order or such lesser time as the OAH directs. The opposing party shall notify the OAH, in writing, of his or her approval of or objection to the order.

c. The OAH may enter the proposed order if no objections are received within five (5) days of service of the proposed order.

d. If objections are received within the time frame specified in subsection 12.5.c. the hearing examiner shall rule on said objections within five business (5) days of receipt.

§105-1-13. Stipulations and Exhibits.

13.1. Stipulations, such as stipulations of evidence and exhibits, shall be valid and enforced provided the stipulations are in writing, signed by the parties making them or their attorney, and promptly filed.

13.2. A written stipulation, or an oral stipulation made on the record, during the hearing may be accepted as a substitute for evidence. A stipulation may relate to a question of fact, the contents of a document, or the expected testimony of a witness.
