Ms. Cooper:

I have been filing a number of proposed rule amendments on behalf of the West Virginia Board for Barbers and Cosmetologists. One of the proposed amended rules, Series 5 (W. Va. Code R. § 3-5-1 *et seq.*), was filed for public comment on July 5, 2016. However, subsequent to filing I was informed by the Board's executive director, Amanda Cunningham, that additional revisions are necessary. As the deadline to file proposed rules for public comment is not until July 27, 2016, I request to withdrawal the previously filed version of Series 5 so that I may refile the revised version. Please advise if this is permissible at your earliest convenience.

If you need any additional information or have any questions, please contact me. My direct dial is (681) 313-4534 and my email is Greg.S.Foster@wvago.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg S. Foster".

Greg S. Foster
Assistant Attorney General
