4.5. Signed Acknowledgment. -- All receiving reports shall contain the original signature of the authorized individual designated to receive commodities and prepare receiving reports. This signature acknowledges both receipt and the fact that the commodities received are acceptable for payment. The Signed Acknowledgement must also include the authorized receiver's printed name and user id.

4.6. Receiving Report certification. -- All requisitions to the Auditor for payment of commodities that do not include a receiving report shall be certified by the Chief Financial Officer, or Department or Agency Administrator, or as determined by the Auditor in emergency situations.
