**RESPONSE TO PUBLIC COMMENTS RECEIVED  
TO PROPOSED RULES**

(Including explanation of any amendments made to the proposed rule as a result of comments)

**TITLE 15, SERIES 1 (WV CSR 15-1-1, et seq.)  
LICENSURE AND PRACTICE OF PHARMACY**

The Board of Pharmacy filed proposed rules filed with the Secretary of State on July 1, 2016, making amendments to Title 15, Series 1. As a matter of information, the Board circulated the rule among stakeholders during the drafting process and incorporated certain suggestions at that time as well, prior to filing for public comment. The public comment period ended on August 4, 2016. The Board received one written public comment regarding the rules. CVS Health submitted the one public comment, in support of the rules generally, specifically supporting the changes to Section 15-1-14.7.5 to allow prescriptions to be delivered to the place designated by the patient or patient's representative. The Board held a public meeting on August 17, 2016, to review the comments. Given that the only comment was one in favor of the rules as drafted, no further substantive changes were made.

The Board then authorized this response and the proposed rules to be filed with the Secretary of State and the Legislative Rule-Making and Review Committee.
