RE: Repeal of Agency Rules

Dear Ms. Cooper:

I am writing as a follow up to the telephone conversation you had earlier today with Kathy Lawson regarding the process by which an agency may repeal an interpretative rule and a procedural rule.

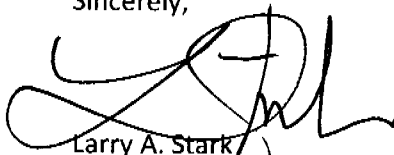

The Division of Banking is requesting that the following two rules be repealed effective immediately:

- (1) 106 CSR 13, an Interpretative Rule Defining Certain Terms Found in Chapter 31A-8C-1, *et seq.* and Regulations Promulgated Thereunder, effective January 29, 1989; and
- (2) 106 CSR 14, a Procedural Rule Implementing the Act Governing the Provision of Financially Related Services by Banks and Bank Holding Companies, effective January 29, 1989.

The Division of Banking proposed amendments to W. Va. Code §§ 31A-8C-1, *et seq.* during the 2005 Legislative Session that were signed into law by Governor Manchin. Those amendments have made the two rules obsolete and unnecessary for administration of the law in its current form.

Please let me know if you require any additional information from the Division of Banking to effect this change. Thank you again for your assistance.

Sincerely,

Larry A. Stark
Commissioner
