Estimated Total Cost	\$	\$	\$ 0	\$ 0	\$ 0

Other					

2. Explanation of above estimates.

We anticipate a slight reduction in administrative costs due to the simplification and consolidation of this licensing process.

3. Objectives of these rules:

- 1) To establish a joint barber/beautician license for individuals who have completed the required courses of instruction in barbering and beauty culture.
- 2) To establish a new table of curriculum requirements for barbers with 2,000 hours training to obtain a cosmetology cross-over license.
- 3) minor "clean up" changes

4. Explanation of Overall Economic Impact of Proposed Rule.

A. Economic Impact on State Government.

The economic impact on state government will be negligible due to the restricted number of individuals affected and the fact that many of these individuals who are dual licensed have placed one of their licenses on inactive status. The slight reduction in fees collected will be partially offset by reduced administrative costs in maintaining records on the dual licensing system now in effect.

B. Economic Impact on Political Subdivisions; Specific Industries; Specific groups of citizens.

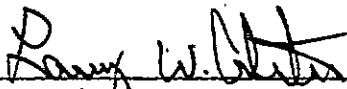

The only group impacted by this rule would be those individuals who are dual licensed as both barber and beauticians in this state. This will grant these individuals relief from the disparity of the present dual licensing system.

C. Economic Impact on Citizens/Public at Large.

None.
