### MEMORANDUM

DATE: June 15, 1998

TO: Whom It May Concern

FROM: Larry W. Absten, Director  
Board of Barbers and Cosmetologists

RE: Proposed Legislative Rule Series 7. (Schedule of Fines)

The Enclosed legislative rule was filed for public comment on June 10, 1998 with the Secretary of State and the Legislative Rule Making Review Committee.

If you have any comments on the rule, please respond, in writing, to the Board office

no later than July 10, 1998.

June 30, 1998

Dear Mr. Absten:

My comments are written beside each new rule. I feel there are basically excellent rules, however, I do feel that the school level is where all of these good measures should begin. I also feel that since plumbing and electrical are such an important part of the overall safety of the customer a shop should never be allowed to open without FIRST passing Board approval in these two particular areas.

P.S. Tony Billnce's shop is one of the first to have been approved to operate that way.

Who would be so stupid? Dispenser,  
with warning and increase fines.

The world of cosmetology needs to become  
aware of just how risky it can be to  
customers. I am proud of the Board  
for venturing down this avenue to bring  
cosmetology to a more professional level  
which it will gain respect and show  
concern for the health of the public!  
Thank You

PS- It might end up being a good  
idea to "rate salons" with A, AA,  
AAA ratings to encourage conformity.  
Since it is a highly competitive  
business anyway it would seem a  
perfect opportunity to take advantage of.  
You could even offer some "award" or  
other for the ratings.

To Whom it may Concern:

I'm opposed to the Proposed Leg. Rules Series 7.  
Because

1. There are provisions in the code to address the violations; already.
2. I don't think the Board of Barbers & Beauticians should have the power to be the Plaintiff, Jury and Judge.
3. There are serious questions, how the Board is made up at this time I don't think in action would stand up in a court of Law.

Ken Brown

Barber & Framer Board member.

Response to Comment on Proposed Rule  
Title 3, Series 7 by Ron Brown

1. The only provision in the code is to take the violator before a magistrate. This process has proven unproductive and time consuming in the past.
2. The legislature granted all boards and commissions the authority to levy fines up to \$1,000 per day when they enacted Senate Bill 358 during the 1996 legislative session.
3. We do not understand Mr. Brown's comment about the make-up of the Board. All Board members were appointed by the Governor and are believed to be properly made.
