SECTION 3. PART-TIME AND TEMPORARY EMPLOYEES

- 3.1 Institutions shall not hire part-time employees solely to avoid the payment of benefits or in lieu of full-time employees and shall provide all qualified classified employees with nine-month or ten-month contracts with the opportunity to accept part-time or full-time summer employment before new persons are hired for the part-time or full-time employment. Consequently, institutions may only employ individuals into temporary positions when the function of the position is expected to require less than nine (9) consecutive months of employment (regardless of hours worked per week) to equal the full-time equivalency of the position.
- 3.2 Classified employees who are employed in less than twelve-month positions and who meet the minimum qualifications of a position shall be provided with an opportunity to accept part-time or full-time summer employment before new persons shall be hired for those positions.

SECTION 4. WORK SCHEDULES

- 4.1 Each institution shall establish a policy, with the advice and assistance of staff council and other groups representing classified employees, which shall: address any institution-specific procedures concerning the use of flexible work schedules, job sharing, and four-day work weeks; discourage temporary, non-emergency changes in an employee's work schedule; and provide a mechanism for changes in, and notification of, changes in work schedules. This policy shall also provide that, where possible, the institution shall provide the employee with a fifteen (15) day notice of such changes. Institutions shall develop such policies within 90-days of the effective date of this rule.

SECTION 5. APPOINTMENT OR PROMOTION

- 5.1 Pursuant to W.Va. Code §18B-7-1(d), non-exempt classified employees who apply for and meet the minimum qualifications as determined by the institutional human resources director or other designee of the president for a posted non-exempt position within an institution and are currently employed at the institution shall be hired into the posted position prior to hiring someone from outside the institution.
- 5.2 If more than one qualified, non-exempt classified employee applies, the best-qualified non-exempt classified employee shall be awarded the position. In such cases, if the employees are equally qualified, the employee with the greatest amount of continuous seniority at the institution shall be awarded the position. A random selection method such as drawing of lots, rolling dice, or selection of playing cards shall be utilized if two or more employees have equal qualifications and seniority. Such method shall be mutually agreed upon by the affected employees and approved by the President or her/his designee. If the employees

categories may accumulate up to four hundred eighty (480) hours and shall be paid for all hours worked above the maximum accrual.

- 7.6 Compensatory time must be used within one year of accrual. The use of compensatory time off shall be requested two weeks in advance of the use of the time off. Approval of the request shall be contingent upon whether it will unduly disrupt the operation of the institutional unit.
- 7.7 Should an individual's employment be terminated, any unused compensatory time shall be reimbursed as follows:
 - 7.7.1 The average regular rate received by such employee during the first three years of the employee's employment; or,
 - 7.7.2 The final regular rate received by such employee, whichever is higher.
- 7.8 An employee may not work overtime unless approved in advance per institutional policy.

SECTION 8. POSTING

- 8.1 Each institution shall develop a policy for posting of classified positions both internally and externally in order to provide employees adequate time to make application for positions. Institutions shall develop such policy within 90-days of the effective date of this rule.
- 8.2 Posting shall not apply to casual or temporary positions.
