OFFICE OF THE ATTORNEY GENERAL
SECRETARY OF STATE

November 15, 1989

The Honorable Ken Hechler
Secretary of State
State Capitol Complex
Charleston, West Virginia 25305

Dear Secretary Hechler:

On November 2, 1989 the West Virginia State Soil Conservation Committee delivered to you office proposed Procedural Regulations for Travel. The Attorney General's Office advised us this date that the West Virginia State Soil Conservation Committee is without statutory authority to develop separate Travel Regulations.

This is to advise that the West Virginia State Soil Conservation Committee will revert to the adopted use of the Travel Regulations on file by the West Virginia Department of Agriculture. We are therefore requesting that the procedural regulations submitted on November 2, 1989 be withdrawn.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Lance Tabor".

Lance Tabor
Executive Secretary
