BRIEF SUMMARY OF PROPOSED AMENDMENT TO TITLE 162, SERIES 1

The West Virginia Consolidated Public Retirement Board ("Board"), as administrator of the West Virginia Teachers Defined Contribution Plan ("DC Plan"), proposes two amendatory changes to Title 162, Series 1, of the WV Code of State Regulations. First, the Board proposes an amendment of WVCSR §162-1-2.1 in order to include within the plans administered by the Board and covered by the rule the following additional plans: the WV State Police Retirement System (§15-2A-1, et. seq.), the WV Deputy Sheriffs Retirement System (§ 7-14D-1, et.seq.), and the Deferred Compensation Plan (§ 5-10B-1, et. seq.).

Secondly, the Board proposes an amendatory change to WVCSR §162-1-6 in order to include the WV State Police Retirement System and the West Virginia Deputy Sheriffs Retirement System within the retirement plans subject to the annual assessment referenced in the rule.

STATEMENT OF CIRCUMSTANCES REQUIRING
PROPOSAL AND PROMULGATION OF PROPOSED RULE CHANGES
TO WVCSR § 162-1-2.1 and WVCSR § 162-1-6.1

Currently, WVCSR §162-1-2.1 does not, as promulgated, include reference to all plans administered by the Consolidated Public Retirement Board, for which administrative rules are necessary. Consequently, the proposed amendment to this rule would add to the enumerated plans the West Virginia State Police Retirement System (§15-2A-1, et seq.), the West Virginia Deputy Sheriffs Retirement System (§7-14D-1, et seq.), and the Deferred Compensation Plan (§5-10B-1, et seq.).

Additionally, and under §162-1-6.1, the Board is authorized to fund an expense account through an annual assessment against the retirement plans which it administers, in an amount determined by the Board for each active employee, retirant and beneficiary receiving benefits. The Board proposes the addition of the West Virginia State Police Retirement System, and the West Virginia Deputy Sheriffs Retirement System to the plans enumerated in the rule from which assessments are made.

Provided, that this section shall not apply to contracts or purchases of property, either real or personal, commodities or services between the Board any governmental agency.

§162-1-6. Administrative Expenses.

6.1. The Board authorizes and shall create a Consolidated Public Retirement Board Expense Fund which shall be funded by an assessment against the Teachers Defined Benefit Retirement System, the Public Employees Retirement System, the Judges' Retirement System, and the Public Safety Death, Disability and Retirement Fund, the West Virginia State Police Retirement System and the West Virginia Deputy Sheriff Retirement System, with payment out of earnings and the employers part of the Teachers Defined Contribution Plan in an amount determined by the Board, per year, for each active employee, retirant and beneficiary receiving benefits.

6.2. All administrative costs of the Board, including, but not limited to, salaries and employee benefits, shall be paid from the expense fund. However, any indemnification required pursuant to subsection 5.4 of this Rule shall be paid from the particular Retirement System affected.

6.3. The administrative expense fund is not subject to satisfaction of any judgement or award against any of the Retirement System, and the judgment or award shall be satisfied from assets of the particular Retirement System against which it is levied.

§162-1-7. Non-alienation of Benefits: Divorce and Separation.

7.1. The moneys in each of the Retirement Systems and the right of a person to receive any benefit, whether it be an annuity, return of retirement contributions, or other benefit, are not subject to execution, attachment, garnishment, the operation of bankruptcy or other insolvency laws, State or municipal taxation, or any other legal process whatsoever; and are not assignable nor transferable by any employee, retirant or beneficiary.

7.2 In case of divorce or legal separation, the annuity, return of retirement contributions, or other provisions available to a member, retirant or beneficiary of any Retirement System may only be divisible as provided in this Rule. The Board shall not honor any Qualified Domestic Relations order except as provided by State law or as entered as a matter of record by the West Virginia Child's Advocate Office.

In cases of divorce or legal separation whereby the member's or retirant's interest in his or her retirement account is subject to division pursuant to domestic relation law, that portion of the member's or retirant's retirement account which is subject to division by the Court shall be determined by the Board by using the following formula, but only after the benefits are available to the member or retirant: a former spouse's interest shall be computed by the Board by multiplying the actual value of the retirement account by a fraction, the numerator being the number of years of contributing service incurred during the marriage, and the denominator being the total number of years of contributing service towards the pension.

In cases of divorce or legal separation wherein the Court of record enters a division order in accordance with the formula in this subsection, the Retirement System affected shall make separate payments to the retirant and the former spouse in accordance with that order based upon the formula set forth in this subsection.

7.3. If a member of a Defined Benefit System is covered by a group insurance or prepayment plan participated in by a participating public employer, and if the member is permitted to, and elects to, continue coverage as a retirant, he or she

may authorize the Board to have deducted from his or her annuity the payments required of him or her to continue coverage under group insurance or prepayment plan.

7.4. A participating public employer in any Retirement System has the right of setoff for any proven claim arising from embezzlement by, or fraud of, a member, retirant or beneficiary.

§162-1-8. Death Benefits.

8.1. The several Retirement Systems to be administered by the Board have varying and different denominations of who a survivor beneficiary may be if the member dies prior to retirement and following retirement. The Board has adopted the procedures in this section for payment of death benefits for all systems.

8.1.1. The terms "spouse", "widow", "sole refund beneficiary", and "beneficiary with an insurable interest" all mean the person who the member has designated in writing as of the date of his or her death. Notwithstanding any other term to the contrary contained in the statutes of the several Retirement Systems, that person is the "designated beneficiary" and is entitled to the benefits as specified by the option selected under each Retirement System.

8.1.2. If, upon the death of a member or retirant, a dispute arises between two (2) or more people who claim beneficiary or survivor benefits, the Board may make payment to the duly registered legal representative of the estate of the deceased member or retirant. Payment may only be made upon submission of written proof of the representative of the estate, generally incorporated in a probate court order. The Board will accept the Last Will and Testament of the deceased member or retirant for the purposes of payment to the estate under this subsection.

8.1.3. If the last designated beneficiaries of a member or retirant are children under the age of majority, but who reached their majority by the time of death, the Board shall always make pay-

ment pursuant to a court order or agreement entered into by the children of the member or retirant. If the designated beneficiaries are children who have not reached their majority, the Board shall only make payment to the court appointed guardian ad litem as specified in appropriate legal proceedings.

8.1.4. Except under joint and survivor options, a member or retirant may retain the right of selecting his or her designated beneficiary at any time.

§162-1-9. Travel Expense Rules.

9.1. The members of the Board and any employee or agent of the Board are subject to the Governor's Travel Rules and Regulations.
