WEST VIRGINIA CONSOLIDATED PUBLIC RETIREMENT BOARD
STATEMENT AND FACTS CONSTITUTING THE EMERGENCY

On August 31, 1990, the Legislature created the West Virginia Consolidated Public Retirement Board (hereinafter the "Board") to administer all public retirement plans in the State. W. Va. Code § 5-10D-1 et seq. The Board begins administration of the public retirement systems on July 1, 1991, except the West Virginia Teachers Defined Contribution System which it began to administer on January 1, 1991. W. Va. Code § 5-10D-1(b). The Board was given the powers to promulgate all rules necessary to effectuate its powers, duties and responsibilities. In this regard, the Board approved and adopted for filing the attached Emergency Rules at a regular meeting of the Board held on June 18, 1991. The Board intends to file for a public hearing within thirty (30) days from the date the Emergency Rule is filed.

Also effective August 13, 1990, the Legislature enacted the Teachers' Retirement Reform Act which created and established the West Virginia Teachers' Defined Contribution Retirement System. W. Va. Code § 18-7B-1 et seq. The Board is charged with the administration of the Teachers' Defined Contribution System. W. Va. Code § 18-7B-5.

The Board was charged with promulgating rules defining the minimum requirement for the investment and retirement options by June 30, 1991. W. Va. Code § 18-7B-9. Further, the Board was given all powers necessary to effectuate the purposes of the Teachers' Retirement Reform Act. The primary purpose is to provide

a tax qualified defined contribution retirement system for all participating members. W. Va. Code § 18-7B-4.

In this regard the Board has undertaken steps to obtain a determination letter from the Internal Revenue Service that the Teachers' Defined Contribution Retirement System is a qualified retirement system and subject to tax-deferred status. The Internal Revenue Service has indicated that the statutory scheme set forth in Article 7B of Chapter 18 of the West Virginia Code is not adequate for purposes of tax qualification in that it does not address allocation of benefits, Internal Revenue Code § 415 limitations on contributions, and minimum distribution rules. In this regard the Board has promulgated Rules in Series 3 (pages 25-40) with respect to obtaining a favorable determination letter from the Internal Revenue Service so that both employer and employee contributions, and investment earnings thereon, will be tax-deferred.

The new system is effective July 1, 1991, and a favorable determination by the Internal Revenue Service is needed for favorable tax treatment for members of the retirement system. Accordingly, these rules are required by both state and federal law and thus constitutes an emergency pursuant to W. Va. Code § 29A-3-15(g). Additionally, the promulgation of these rules is necessary to prevent substantial harm in that if the Teachers' Defined Contribution Retirement System is not a tax qualified plan then contributions will be currently taxable to participating in the System.

In conclusion, the relevant statutes requires certain rules to be promulgated by July 1, 1991, with respect to the operation of the Board, the adoption of the existing rules of the various retirement systems, and the minimum requirement and investment options under the Teachers' Defined Contribution Retirement System. Further, additional plan requirements must be adopted by the Board before the Internal Revenue Service will issue a favorable determination letter regarding the Teachers' Defined Contribution Retirement System. Accordingly, this Rule cannot wait to go through the regular process before it becomes effective.

§ 162-7-3. HISTORY: ADOPTION OF RULES AND REGULATIONS

7-3.1 The Death, Disability and Retirement Fund was established by the Legislature in 1935. (W. Va. Code § 1263). At that time, the Board of Commissioners created by W. Va. Code § 1256 was charged with the duty of acting as a Pension Fund Board with the power to make awards and all necessary Rules and Regulations for the administration thereof.

The Board was later re-constituted in 1945 (W. Va. Code § 1263) which provided for a retirement Board consisting of the Attorney General, State Treasurer, the Superintendent (of Public Safety), and two members in active service of the Department of Public Safety. That particular statute also provided that the votes of a majority of the five (5) members of the Board would be necessary to make a decision of the Board and that such decisions were "supreme and final" and there would be no appeal therefrom.

Thereafter, the statutes were amended, revised, and repealed resulting in the amendments of 1977 which have eliminated from the West Virginia Code the statutory establishment of the Retirement Board as originally established.

However, the Public Safety Retirement Board has been kept in existence by virtue of the introductory language in § 15-2-26 of West Virginia Code, 1931, as amended.

7-3.2 No Rules or Regulations have been filed with the West Virginia Secretary of State by the Department of Public Safety Death, Disability and Retirement Board.

Re: Proposed Legislative Rules

Dear Ms. Cooper:

Yesterday I met with Debra A. Graham, Counsel to the West Virginia Legislative Rule-Making Review Committee. We discussed at length the 8 different Series of proposed rules that I have filed on behalf of the Consolidated Public Retirement Board.

Ms. Graham told me that some of these rules were unnecessary and not appropriate as legislative rules. She has recommended to me that I withdraw Procedural Rules for Meetings (Series 2), Judges' Retirement System (Series 6), and Department of Public Safety and Disability Retirement Fund (Series 7) which have been filed with the Legislative Rule-Making Committee.

I am therefore requesting that these three rules be withdrawn.

Sincerely,

James L. Sims
