BRIEF SUMMARY OF PROPOSED AMENDMENT TO TITLE 162, SERIES 7

The West Virginia Consolidated Public Retirement Board ("Board"), as statutory administrator of the various state retirement plans, proposes an amendatory addition to the Title 162, Series 7 rules to reflect that the 4% rate referenced in § 162-7-3.1.3 shall be deemed consistent with and also applicable to calculations of "regular interest" whenever applicable in the Teachers Retirement System ("TRS").

STATEMENT OF CIRCUMSTANCES REQUIRING
PROPOSAL AND PROMULGATION OF PROPOSED SERIES 7
TO TITLE 162 OF THE CODE OF STATE REGULATIONS

As promulgated during the 2000 legislative session, the Title 162, Series 7 rules do not clearly reflect that the 4% rate provided for refund interest in the Teachers Retirement System ("TRS") in WVCSR §162-7-3.1.3 is to also be consistent with and applicable to the calculation of regular interest in the TRS plan. The Consolidated Public Retirement Board proposes an amendatory addition to §162-7-3.1.3 to reflect that the rate referenced therein applies to both refund and regular interest in the TRS plan.

1.2. Authority. -- W. Va. Code §5-10D-1.

1.3. Filing Date. -- April 7, 2000.

1.4. Effective Date. -- July 1, 2000.

§162-7-2. Relationship to Prior Interest Rules.

2.1. This Rule is intended to replace any and all Rules which may have been, prior to the effective date of this Rule, previously adopted or promulgated by the Board regarding the attachment of interest on the referenced plan transactions. Any and all prior Rules are hereby repealed to the extent they are inconsistent with the provisions of this Rule.

2.2. This Rule, and the interest rates specified are applicable to plan transactions which occur after June 30, 2000.

2.3. To the extent that the Board determines that any provisions of this Rule are in conflict with the provisions of an analogous state retirement system statute, the statutory law prevails and shall be applied.

§162-7-3. Refund Interest.

3.1. Refund interest shall be paid to a member as provided in this section when the member or beneficiary is eligible for and makes

application for a refund of accumulated contributions in accordance with applicable plan provisions.

3.1.1. Deputy Sheriffs Retirement System. In the event a member of the Deputy Sheriffs Retirement System terminates covered employment and thereafter requests and is determined to be eligible to receive a refund of accumulated contributions, the interest rate applicable to the refund is four percent (4%), compounded per annum.

In the event a member of the Public Employees Retirement System terminates covered employment and thereafter requests and is determined to be eligible to receive a refund of accumulated contributions, the interest rate applicable to the refund is four percent (4%), compounded per annum. §162-7-4. Reinstatement Interest.

4.1. A member who has previously terminated covered employment and withdrawn accumulated contributions, but later returns to employment with a participating public employer, may be eligible to reinstate his or her prior retirement system service credit if reinstatement is permitted under applicable law. The reinstatement of service credit shall in any event be contingent upon the member's repayment of contributions previously withdrawn from a state retirement system at the termination of his or her prior period of covered employment, plus interest thereon as provided for in this section. This

reinstatement interest shall also apply to a member who is reinstating retroactive service.

4.1.1. Deputy Sheriffs Retirement System. In the event a member of the Deputy Sheriffs Retirement System requests and is determined to be eligible to restore retirement system service credit for periods of previously terminated employment, the member shall pay into the plan any contributions which the member may have previously withdrawn from the plan at the termination of any prior period of employment, plus reinstatement interest. The rate of interest applicable to requests for reinstatement of service into the Deputy Sheriffs Retirement System is, for all plan years between the date of the member's withdrawal of plan contributions and through June 30, 2000, four percent (4%) per annum. The rate of interest applicable to reinstatement requests for each plan year after June 30, 2000, shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which the reinstatement request is made, compounded per annum. Once a member commences repayment of the reinstatement amount plus, applicable interest, the interest rate shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which reinstatement payments commence, and that rate applies throughout the payment period providing the member remits payments on a timely basis, compounded on a basis as set by administrative rules and procedures.

4.1.2. Public Employees Retirement System. In the event a member of the Public Employees Retirement System requests and is determined to be eligible to restore retirement system service credit for periods of previously terminated employment, the member shall pay into the plan any contributions which the member may have previously withdrawn from the plan at the termination of any prior period of employment, plus reinstatement interest.

The rate of interest applicable to reinstatement requests for each plan year after June 30, 2000, shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which the reinstatement request is made, compounded per annum. Once a member commences repayment of the reinstatement amount plus, applicable interest, specified in this subsection, the interest rate shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which reinstatement payments commence, and that rate applies throughout the payment period providing the member remits payments on a timely basis, compounded on a basis as set by administrative rules and procedures.

4.1.3. Teachers Retirement System. Persons who have terminated covered employment with the Teachers Retirement System and who have withdrawn their accumulated contributions are, upon subsequent return to employment as a teacher or educational employee, ineligible to return to contributing membership in the Teachers Retirement System, and are limited to membership in the Teachers Defined Contribution Retirement System, except as may be specifically provided for in W. Va. Code § 18-7B-7 or other applicable statutory plan provisions.

4.1.3.a. Transfers of service. In the event a member of the Teachers Retirement System requests and is determined to be eligible for a transfer of his or her credited service from the Public Employees Retirement System into the Teachers Retirement System as provided for in W. Va. Code § 18-7A-17, the member shall pay into the Teachers Retirement System an amount equal to the difference between the contributions which the member made to the Public Employees Retirement System for the previous service, and

the contributions the member would have made had he or she been a member of the Teachers Retirement System for the period of previous service, plus interest at the rate specified in subdivision 4.1.3.c.

4.1.3.b. A member of the Teachers' Retirement System is entitled to a transfer of credited service in the Public Employees Retirement System as specified in subsection 4.1.3.a. only to the extent that the member repays into the Teachers Retirement System any amounts which the member may have previously withdrawn from the Public Employees Retirement System, plus interest at the rates specified in subdivision 4.1.3.c.

Code § 18-7A-17 is, for all plan years through June 30, 2000, six percent (6%) per annum. The rate of interest applicable to transfer of service requests for each plan year after June 30, 2000, and until such time as the member commences payment of any prior withdrawals, or payment of the difference in the respective plan contribution rates as required by W. Va. Code § 18-7A-17 and subdivision 4.1.3.a., shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of that plan year in which the transfer request is made, compounded per annum. Once a member commences payment of the amount specified in subdivision 4.1.3.a. and 4.1.3.b., the interest rate shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which the transfer payments commence, and that rate applies throughout the payment period providing the member remits payments on a timely basis, compounded on a basis as set by administrative rules and procedures.

4.1.3.d. Pick up service. In the event the Board determines that a member of the Teachers Retirement System was eligible to participate in that system for a period of prior

employment, but further determines that contributions were not properly withheld from the employee and paid into the system from the period of prior employment, the member is entitled to receive retirement system service credit for the prior period of employment, with the receipt of service credit being contingent upon the Board's receipt of the employee and employer contributions which should have been paid into the plan for the period of the prior employment, plus interest at the rate specified in subdivision 4.1.3.e.

4.1.3.e. The rate of interest applicable to pick-up service requests in the Teachers Retirement System is, for all plan years prior to July 1, 2000, six percent (6%) per annum. The rate of interest applicable to pick up service requests for each plan year after June 30, 2000, shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which the pick up service request is made, compounded per annum. Once a member commences repayment of the pick up service amount specified in subdivision 4.1.3.d., the interest rate shall be based upon the Moody's Average Corporate Bond Yield, as of the December 31st immediately preceding the first day of the plan year in which the pick up service payments commence, and that rate applies throughout the payment period providing the member remits payments on a timely basis, compounded on a basis as set by administrative rules and procedures.

In the event a member of the West Virginia State Police Death, Disability and Retirement Fund requests and is determined to be eligible to restore retirement system service credit for periods of previously terminated employment, the member shall pay into the plan any contributions which the member may have previously withdrawn from the plan at the termination of any prior periods of employment, plus reinstatement interest at the rate specified in W. Va. Code § 15-2-37(b).

Va. Code §51-9-5(a), be determined by the state auditor.
