Re: Ingress & Egress Rules

Dear Secretary Manchin,

On September 23, 2003, our office filed proposed rules relating to Ingress and Egress of Governmental Facilities. The Legislature did not take up the rules during the past session, therefore, on March 11, 2003, the same rules were filed as emergency rules. Counsel for the Judiciary recommends that the proposed rules regarding Ingress and Egress be withdrawn in their entirety at this time. Therefore, the Department of Administration would like to withdraw the proposed rules and emergency rules. By copy of this letter to the Legislative Rule-Making Review Committee I am also informing them of our decision to withdraw the proposed emergency rules.

Thank you very much for your assistance. If you have any questions, or need any additional information, please do not hesitate to give me a call.

Sincerely,

Donna M. Prunty
Executive Coordinator
