The permits are valid for one year and may be reissued by the Board in its discretion. The holder of a permit may perform all operations which a person licensed to practice dentistry or dental hygiene in this State may perform, but only within the facilities of the dental school and as an adjunct to his or her teaching functions in the school.

Any sheriff or constable shall serve a notice within his or her county and make return of the manner and time of service; for a failure to do so he or she shall forfeit twenty dollars. Before presenting his or her petition to the court or judge, the petitioner shall mail copies of the petition to the president and secretary, respectively, of the Board. Upon receipt of the copy, the secretary shall immediately transmit to the clerk of the court the record of the proceedings before the Board. The court or judge shall fix a time for the review of the proceedings at his or her earliest convenience. Notice in writing of the time and

place of the hearing shall be given to the president and secretary of the Board at least ten days before the date set for the hearing. The court or judge shall, without a jury, hear and determine the case upon the record of the proceedings before the Board. The court or judge may enter an order affirming, revising, or reversing the decision of the Board if it appears that the decision was clearly wrong. Prior to the entry of the order, no order shall be made or entered by the court to stay or supersede any suspension, revocation or cancellation of any certificate, license, registration or authority.
