The purpose of this bill is to require drug screening and testing of applicants for the Temporary Assistance to Needy Families Program for whom there is a reasonable suspicion of substance abuse. The bill creates a pilot program requiring applicants to pass an initial drug test to become eligible for benefits, requiring participation in a substance abuse treatment program, counseling and job skills program with an adverse drug test; precluding assistance for refusal to take a drug test; establishment of administrative review of decisions to deny benefits; providing mechanism for dependent children to receive benefits if a parent is deemed ineligible; setting forth prohibition from benefits for an adverse drug test. The bill requires federal approval of the program and ensures confidentiality of records.
