Re: 78 CSR 1 Child Care Center Licensing

Dear Diana,

Thank you for submitting your initial impressions of the above-reference legislative rule during the public comment period of the rule-making process. Our agency has received several comments from the public and those comments will be considered, and where appropriate, incorporated into the agency-approved rule. Many comments the department received were general in nature and without specific recommendation and, therefore, were not fully incorporated into the final version.

We appreciate your involvement in helping to draft rules that will benefit our state and its residents.

Sincerely,

Lisa M. Ertl

Subject: Comments on public rule

Lisa,

Here are a few questions/comments I have regarding the proposed changes.

8.4.c. If every staff member and volunteer has to have a state and federal background check, who is going to pay for the federal background check or is it going to be free?

8.4.c.1. In order to upload the WV CARES self-disclosure application and consent form a center must have internet. What if a center doesn't have access to internet or has limited access to the internet? Not all places in WV can receive internet connections.

8.4.c.3. Clarification on what a fitness determination of eligibility from the WV CARES unit is?

8.4.c.4. Clarification on what a rap back enrollment is?

8.4.d. If there has to be a child abuse and neglect check in every state a staff person has lived in within the last 5 years, are there fees involved from the different states and if there is, who is going to pay for it?
