Dear Secretary Warner:

It has come to my attention that a West Virginia Board of Education rule that has been repealed is not identified as such on the Code of State Rules (CSR) website. 126CSR27, Policy 2422.8, *Medication Administration*, was repealed upon the effective date of 126CSR25A, Policy 2422.7, *Standards for Basic and Specialized Health Care Procedures*, filed October 12, 2017, and effective November 13, 2017. Please take appropriate action to show 126CSR27 as repealed on the CSR website.

Thank you for your attention to this matter.

Sincerely,

W. Clayton Burch
Associate State Superintendent
West Virginia Department of Education
