<b>§126-86-1 General.</b>				
8/23/18	D. Bradley Parent Charleston WV	I want any food that is returned, shared, to be sanitized, washed off please	A/S	Response 1: Comment provides feedback that is consistent with technical assistance from the WVDE.
8/27/18	Edwina Howard-Jack Teacher BUHS Buckhannon WV	Love the shared table concept to reduce hunger. Much needed.	A/S	Response 2: Comment is supportive of legislation that was passed, requiring WVBE to promulgate a rule on this subject matter.
9/1/18	Rosa Huffman Kanawha County Schools Tornado WV	I volunteer at a food pantry which is next door to the school where I teach. The amount of food that is thrown away could provide many items for the pantry.	A/S	See Response 2
<b>§126-86-4 Nutrition Standards for Child Nutrition Programs.</b>				
8/22/18	Stephanie Holbrook Service personnel Logan Wv	The idea of a share table seems like a good idea, one way not to waste food but no one thinks these ideas through. We have taught our students they have to get everything and throw what you don't want away so this is going to be a hard habit to break. The other part of a share table is IT'S NASTY we left fruit out one day and fruit fly's are all over it, no one has time to monitor it, and let's face it kids do everything with it but eat it. It's more work for kitchen staff when they don't enough staff to start with and that goes for janitors to.	N	Response 3: Comment provides feedback that can be addressed through guidance and technical assistance.

<b>§126-86-8 Adequate Time for Student Meal Consumption.</b>				
9/1/18	Rosa Huffman Kanawha County Schools Tornado WV	I have taught in Kanawha County for 24 years. Elementary children do not have enough time to eat breakfast or lunch at school. Current times are 10 min for breakfast and 20 min for lunch. Children are learning bad eating habits which lead to digestive disorders.	N	Response 4: Comment does not result in change to the policy. Subject matter addressing student meal times are stated as minimum allotments. Districts can allocate additional time for students to consume meals.
