<b>§126-3-2. Meetings.</b>				
10-13-18	Debra K. Sullivan	Since I have been on the board, we have been scheduling our meetings on the second Wednesday and Thursday of the month. I think it is a good idea to memorialize something like that in the policy, to keep us on some sort of calendar. I realize that we can adjust things as needed and, in fact, have done so in the past year or so. Is there a way to include such a statement in the policy regarding scheduling of meetings typically on the second Wednesday and Thursday of the month while at the same time allowing flexibility as needed?
