Re: Repeal 91 CSR 12

Dear Ms. Cooper:

Please be advised that 91 CSR 12, Motor Vehicle Inspection Manual, should be repealed by operation of law. It is an active procedural rule describing the administration and enforcement of motor vehicle inspections. The West Virginia State Police is the enforcement agency for motor vehicle inspections, and in 2012 it filed legislative rule 81 CSR 4 Modified Vehicle Inspections.

In accordance with the provisions of W.Va. code §29A-1-3b this rule should be made void. If you need further information, please contact me at the above listed address.

Sincerely,

Adam Holley
General Counsel
West Virginia Division of Motor Vehicles
