TITLE 135  
PROCEDURAL RULE

WEST VIRGINIA COUNCIL FOR COMMUNITY AND TECHNICAL COLLEGE EDUCATION

SERIES 21  
FRESHMAN ASSESSMENT AND PLACEMENT STANDARDS

**§135-21-1. General.**

1.1. Scope. This policy establishes freshman assessment and placement standards for institutions in assignment to initial credit-bearing courses in mathematics and English.

1.2. Authority. West Virginia Code §18B-2B-6.

1.3. Filing Date. January 22, 2019

1.4. Effective Date. February 22, 2019

**§135-21-2. Policy.**

2.1. The policy, Freshman Assessment and Placement Standards, for students in West Virginia public colleges and universities was developed to assure the integrity of associate degrees, baccalaureate degrees, and certificate programs to increase the retention and graduation rates of students, and to encourage high school students to improve their academic preparation for college. The standards for freshman assessment and placement are designed to establish uniform procedures for the placement of students in credit-bearing courses in mathematics and English that can be applied toward an undergraduate academic degree.

2.2. Full or part-time students identified as requiring remediation must enroll in the required co-requisite courses or other entry-level college courses with supplementary academic support in the first year of enrollment.

**§135-21-3. Definitions.**

3.1. Co-requisite Courses.

3.1.a. Co-requisite courses are credit-bearing courses that provide aligned academic support for the entry-level credit bearing course and are required as a component of the entry-level course. Co-requisite courses are designed for students who did not meet admission requirements for entry level math or English courses. Course content is the same as the traditional credit-bearing course but additional required attendance/instruction and/or participation in academic support structures is required for successful completion of the course.

3.2. Academic Support Programs

3.2.a. Academic support programs include, but are not limited to, modular course delivery; summer boot camps; extra class sessions; accelerated learning program (ALP) model; paired courses, supplemental instruction; additional lab instruction; tutoring; and/or other instructional strategies which provide additional in-class or outside-class assistance and monitoring of student progress beyond that usually associated with entry-level college credit courses.

## 3.3. Remedial Education.

3.3.a. Remedial education addresses academic preparedness.

**§135-21-4. Mathematics Placement Standards.**

4.1. Students at any public two-year institution in West Virginia may enroll in a college-level, credit bearing math course without required academic support programs provided the following cut scores have been met:

Assessment Test	Quantitative Reasoning	Elementary Statistics	College Algebra
