  - 10.1.5 The signature of the student applicant, a parent or other sponsor if the student is under the age of eighteen (18), and the appropriate school officials, plus the date signed.
- 10.2 An application for admission is not to be construed as binding on the student, therefore limiting total student financial obligation to the payment of an application fee.
  - 10.3 The school shall provide the student with a copy of the completed enrollment agreement that is signed and dated.
  - 10.4 Those schools that are accredited by an national or regional accrediting agency recognized by the United States Department of Education may adhere to the accrediting agency's criteria regarding student enrollment contracts to satisfy the requirements of this section. Termination may be effected earlier by proper notification. A home study program of instruction shall be terminated if a school does not receive a lesson or an appropriate response from the student within six months after receipt of the last lesson, and the date of withdrawal shall be the date of the last lesson received. The date of withdrawal initiated by a student shall be the date a letter is postmarked or proper notification is given. The school shall provide a receipt for the letter or withdrawal notice received.
- 11.1.5 Schools are required to submit refunds to individuals or the appropriate agency within twenty (20) days after receipt of a proper notification of termination from a student.

In the event that students are financially obligated for a year-long program, the refund policy shall be on a weekly prorata basis through the first sixty percent (60%) of the program. The student's financial commitment shall not be for more than one year at any given time.
- 11.3 Those schools that are accredited by a national or regional accrediting agency recognized by the United States Department of Education, may use the accrediting agency's refund policy to meet the requirements of this section. However, student refunds must be made within twenty (20) days after receipt of a proper notification of termination.
- 11.4 Those schools having their physical facilities located outside this state must comply with the cancellation and refund policies of their home state. If there is no state cancellation and refund policy in their home state, Section 11 of this policy must be followed.
