This term also includes any person enrolled in a state or federal public assistance program including, but not limited to, the Temporary Assistance for Needy Families Program, Medicaid, or the Supplemental Nutrition Assistance Program.

Any licensee whose license is expired by reason of the failure, neglect or refusal to secure the proper renewal certificate may have his or her license reinstated by the board at any time within one year from the date of the expiration of the license upon the payment of the proper renewal fee and a penalty fee as set by the board's fee schedule 5CSR3. 97.2. The purpose of the criminal history record check is to assist the Board in obtaining information that may relate to the applicant's fitness for licensure.

97.3. In addition to the State Police, the Board may contract with and designate a company specializing in the services required by this section instead of requiring the applicant to apply directly to the West Virginia State Police or similar out-of-state agency for the criminal history records checks. 97.7. The applicant shall authorize the release of all records obtained by the criminal history record check to the Board.

97.8. A criminal history record check submitted in support of an application for licensure must have been requested by the applicant no earlier than twelve (12) months immediately prior to the Board's receipt of the applicant's electronic application for licensure.

97.9. An initial licensure application is not complete until the Board receives the results of a state and a national criminal history record check conducted by the State Police or another entity duly authorized by the Board. The Board shall not grant an application for licensure submitted by any applicant who fails or refuses to submit the criminal history record check required by this section.

97.10. Should criminal offenses be reported on an applicants criminal history record check, the board

will consider the nature, severity, and recency of offenses, as well as rehabilitation and other factors on a case by case basis for licensure. Criminal history record checks shall be verified by a source acceptable to the Board, other than the applicant.
