Dear Secretary Harmon-Schamberger:

Pursuant to West Virginia Code § 18B-3-5 and § 18B-1-6, your approval is requested for the promulgation of Title 131, Series 8 of the State College System Rules, *Contracts and Consortium Agreements with Public Schools, Private Schools, or Private Industry*.

Series 8 establishes conditions for institutions in the State College System to request approval by the Board for contracts and consortium agreements with public schools, private schools, or private industry to provide technical, vocational, college preparatory, remedial and customized training courses at locations either on campus or at off-campus locations. This rule is in response to the statutory requirements in West Virginia Code § 18B-1-8(18).

As you may recall, this rule was presented last year to the Legislative Oversight Committee on Education Accountability (LOCEA) and the LOCEA declined to consider it because it did not address the issue of granting credit for work experience which was called for in the statute. The rule now being proposed addresses the earlier omission.

Sincerely,

Clifford M. Trump
