The Honorable Ken Hechler
Secretary of State
Room 157, State Capitol Building

Dear Secretary Hechler:

The State College System Board of Directors promulgated Series 19, *State Postsecondary Review Program*, and filed it for public comment on June 21, 1995. Since then, the U.S. Department of Education has notified the Central Office that the SPRP is being discontinued at the federal level and, therefore, 131-19 should be withdrawn. Thank you.

Sincerely

Barbara Harmon-Schamberger
