Amendments to the federal Higher Education Act require a specific policy for refund of tuition and fees to first-time enrollees at postsecondary institutions which receive federal funds. The proposed revisions to Series 22 of the State College System Rules shown with strikethroughs and underlines are designed to bring the refund policy for institutions in the State College System into compliance with the new federal requirements. The other changes are proposed in response to provisions enacted by the West Virginia Legislature during the 1993 regular legislative session in Senate Bill 377.
