**CONSIDERATION OF PRIOR CRIMINAL CONVICTIONS
IN INITIAL LICENSURE DETERMINATIONS**

§4-8-1. General.

1.1. Scope. -- This rule establishes procedures for consideration of prior criminal convictions in initial licensure determinations.

1.2. Authority. -- W. Va. Code §30-1-24, and W. Va. Code §30-16-5.

1.3. Filing Date. --

1.4. Effective Date. --

1.5. Sunset Provision. - - This rule shall terminate and have no further force or effect upon the expiration of five (5) years from final filing date.

§4-8-2. Definitions.

2.1. "Board" means the Chiropractic Board of Examiners established pursuant to W. Va. Code §30-16-1 et seq.

2.2. "Initial" means obtaining a license in West Virginia for the practice of chiropractic for the first time.

2.3. "License" or "licensure" means the official authorization by the Board to engage in the practice of chiropractic.

2.4. "Unreversed", as that term refers to a criminal conviction, means that a conviction has not been set aside, vacated, pardoned, or expunged.

§4-8-3. Rational nexus to the practice of chiropractic.

3.1. The Board may not disqualify an applicant from initial licensure because of a prior criminal conviction that remains unreversed unless that conviction is for a crime that bears a rational nexus to the practice of chiropractic. In determining whether a criminal conviction bears a rational nexus to a chiropractor, the Board shall consider at a minimum:

3.1.a. The nature and seriousness of the crime for which the individual was convicted;

4CSR8

3.1.b. The passage of time since the commission of the crime;

3.1.c. The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of a licensed chiropractor; and

3.1.d. Any evidence of rehabilitation of treatment undertaken by the individual.

§4-8-4. Application after denial.

4.1. Notwithstanding any other provision of the W. Va. Code to the contrary, if an applicant has been denied licensure because of a prior criminal conviction, the Board shall permit the applicant to apply for initial licensure if:

4.1.a. A period of five years has elapsed from the date of conviction or the date of release from incarceration, whichever is later;

4.1.b. The individual has not been convicted of any other crime during the period of time following the disqualifying offense; and

4.1.c. The conviction was not for an offense of a violent or sexual nature: *Provided*. That a conviction for an offense of a violent or sexual nature may subject an individual to a longer period of disqualification from licensure, to be determined by the Board on a case by case basis.

§4-8-5. Petition for licensure eligibility determination.

5.1. An individual with a criminal record who has not previously applied for licensure may petition the Board at any time for a determination of whether the individual's criminal record will disqualify the individual from obtaining a license.

5.2. The petition shall be submitted on an application form prescribed by the Board and shall include sufficient details about the individual's criminal record to enable the Board to identify the jurisdiction where the conviction occurred, the date of the conviction, the date of the release from incarceration if applicable, and the specific nature of the conviction. Where the records are sealed, the applicant shall sign a waiver authorizing the Board to access the criminal records of the applicant in order for the Board to make the eligibility determination.

5.3. The applicant may submit the petition for licensure eligibility evidence of rehabilitation, letters of reference, and any other information the applicant deems relevant to show fitness and the ability to practice chiropractic.

5.4. The Board shall provide the determination within 60 days of receiving the petition from the applicant.
