PROVIDE A BRIEF SUMMARY OF THE CONTENT OF THE RULE:

This rule provides and sets forth fingerprinting requirements and processes for applicants for insurance producer and insurance adjuster licenses to undergo criminal background checks as required by Articles 12 and 12B of Chapter 33 of the West Virginia Code.

SUMMARIZE IN A CLEAR AND CONCISE MANNER CONTENTS OF CHANGES IN THE RULE AND A STATEMENT OF CIRCUMSTANCES REQUIRING THE RULE:

During the 2020 Legislative Session, House Bill 4502 was passed which revised Article 12B, Chapter 33 of the West Virginia Code regarding the licensing requirements of insurance adjusters. One of the revisions made to Article 12B was to require fingerprint criminal background checks on insurance adjusters in the same manner as are currently required of insurance producers/agents. The revisions to 114 CSR 2A are needed to conform the existing rule to the updated statutory requirements, specifically to include insurance adjusters in the rules provisions and to provide guidance and instruction for insurance adjusters to undergo the same background checks and fingerprinting requirements as licensed producers/agents.

SUMMARIZE IN A CLEAR AND CONCISE MANNER THE OVERALL ECONOMIC IMPACT OF THE PROPOSED RULE:
