This could be 10 gray squirrels and 14 fox squirrels, or 14 gray squirrels and 10 fox squirrels, or any combination of 24 squirrels, but not more than a total of six per day nor more than a total of 24 in possession.

2.5. "Baiting" means the direct or indirect placing, exposing, depositing, distributing, or scattering of bait so as to constitute for wildlife a lure, attraction, or enticement to or on any areas where hunters are attempting to take them. An area is considered baited for 10 days after the removal of the bait.

2.6. "Concurrent Hunting" means hunting of the same and/or other species during a legally prescribed season.

2.7. "Crossbow" means a device consisting of a bow fixed transversely on a stock, the string of which is released by a trigger mechanism and propels a bolt.

2.13. "Public Lands" means lands owned, leased, licensed, managed under cooperative agreement with or under the control of the Division for wildlife management purposes.

2.14. "Trap" is a device that is used to catch and hold animals. A trap may be legally used during the trapping season to catch fur-bearing animals and coyotes. The term includes leg foot hold traps, killer type or body gripping traps, box traps, encapsulating traps and snares. Legal and illegal traps are further defined in W. Va.
