**Subject:** Suggested language for 91CSR25 - Special Purpose Vehicles

Good Afternoon Adam,

As per your conversation with Emily Fleming yesterday, I am forwarding you the suggested language from the Division of Natural Resources for 91CSR25 4.7., Special Purpose Vehicles rule (below). While this is essentially the language in Code, it will help our agency tremendously with regulation and enforcement on highways within our managed properties. Thank you for your consideration of our request. If you have any questions, please let us know.

Thank you !

Stephen

**4.7. No person may operate a special purpose vehicle as a street-legal special purpose vehicle on a highway where the Division of Natural Resources prohibits special purpose vehicles.**
