Re: Extension of written comment period for
47 CSR 2B

Ms. Lewis,

The West Virginia Department of Environmental Protection (WVDEP) would like to extend the written comment period for the In Progress Procedural Rule: Assessment Methodology for the Biological Component of the Narrative Criteria in Wadeable Streams, 47 CSR 2B. Currently the written comment period will end March 11, 2021 at 8:00 PM; WVDEP would like to extend the written comment period to March 26, 2021 at 5:00 PM. Thank you for your assistance in this matter.

Sincerely,
Laura Cooper
