Good Morning Mr. Maze,

Thank you for your comments. Currently, as authorized by WV State Code, we offer a free hunting and fishing license to honorably discharged members of the Armed Forces of the United States of America who receive veteran's compensation based on total permanent service connected disability as determined under the rules and regulations as administered by the Veterans Administration.

Prices for all lifetime hunting and fishing licenses are established in code by the WV Legislature. The Division of Natural Resources fully supports discounts for veterans but the legislature would have to approve and fund any such measure.

Lifetime Hunting, Trapping, and Fishing Licenses (58CSR67)

I would like to see a discount for Veterans for a Lifetime License in West Virginia. As Veterans we have sacrificed so much. Is it too much to ask that we receive a discount for a Lifetime Hunting License?

Thank you
