Subject: Withdrawal of 47 CSR 2B

Dear Director Lewis:

The West Virginia Department of Environmental Protection formally withdraws its filed draft of 47 CSR 2B, titled "Assessment Methodology for the Biological Component of the Narrative Criteria in Wadeable Streams." The rule was first published for public comment on February 9, 2021 and an extension was requested by correspondence dated March 9, 2021. Thank you for your assistance in this matter. If you have any questions, please do not hesitate to call our general counsel, Jason Wandling, at 304-553-1405.

Sincerely,

Harold D. Ward
