3.32. All evidence and information described in this section may be provided through FCVS, where available through FCVS. Complete applications are considered by the Board at regular Board meetings. The Board will not consider an application or decide upon the issuance of a license to an applicant until

the complete application, including all third-party documentation and/or verifications, is on file with the Board and the Board has had at least ten days to review the application.

~~3.43. In the event the staff finds derogatory information during the processing of an application, the information shall be presented to Board members for review and a determination as to whether an individual should appear before the Licensure Committee or if the staff should obtain additional information. If derogatory or conflicting information regarding an applicant's qualifications exists within a pending application file, the information shall be presented to the Board's Licensure Committee for review. Thereafter, the Licensure Committee shall determine whether the applicant should be scheduled to appear before the Committee. The Committee may also direct staff to obtain additional information related to the applicant's qualifications or make a recommendation upon the application.~~

~~3.5 It is the applicant's responsibility to provide necessary forms to selected institutions for response to the Board, except where FCVS is providing the information directly to the Board.~~

~~3.6. Completed verification forms must be provided directly from selected institutions to the Board and not from the applicant, except where FCVS is providing the information directly to the Board.~~

~~3.7. All parts of the application shall be completed in full with all required supporting documents received by the Board not later than fifteen (15) days prior to consideration by the Board.~~

~~3.8.4. No fee is required for the submission and processing of an application for a limited license to practice medicine and surgery at a designated state veterans nursing home facility.~~

§11-11-4. License Renewals.

~~4.1. A licensee issued a limited license to practice medicine and surgery at a designated state veterans nursing home facility shall renew his or her license every two (2) years, as of the first day of July of the year of renewal, upon timely submission of a fully completed renewal application form. Licensees whose last name begins with the letters A through L shall renew their license in even years, and licensees whose last names begin with the letters M through Z shall their licenses in odd years. With the exception of an initial license, a limited license to practice medicine and surgery at a designated state veterans nursing home facility is issued for a term of two years. An initial license is issued with an expiration date consistent with the applicant's renewal classification as set forth in subsection 4.2.~~

4.2. License renewal for all physicians issued a limited license pursuant to this rule shall occur on the following schedule:

4.2.a. Physicians whose last names begin with the letters "A" through "L" shall renew prior to July 1 of every even year; and

4.2.b. Physicians whose last names begin with the letters "M" through "Z" shall renew prior to July 1 of every odd year.

4.3. Renewal deadlines shall be published by the Board on its website.

4.24. Renewal applications shall be available on the Board's website. It is the responsibility of the limited licensee to acquire and submit renewal application forms.

~~4.3. Failure of the licensee to receive a renewal form will not constitute justification for any physician to practice on an expired license. An expired license is not a valid license.~~

4.45. No fee is required for the submission and processing of a renewal application for a limited license to practice medicine and surgery at a designated state veterans nursing home facility.

4.6. A limited license shall expire if not renewed by the renewal deadline set by the Board. An expired license is not a valid license.

§11-11-5. Regulation of Limited License To Practice At A Designated State Veterans Nursing Home Facility.

5.1. A physician granted a limited license pursuant to W. Va. Code §30-3-11b is subject to all the provisions and protections of the West Virginia Medical Practice Act, W. Va. Code §30-3-1 *et seq.* and all rules of the Board governing the professional practice of medicine and surgery by allopathic physicians.

5.2. A limited licensee shall report, in writing, to the Board within fifteen days of the occurrence:

5.2.a. Any suspension, revocation, probation, restriction, term, condition or other discipline taken against the limited licensee in any other jurisdiction;

5.2.b. Any adverse employment action, restriction upon practice or limitation upon authorization to practice at the Federal Veterans Administration Hospital where the limited licensee is employed; and/or

5.2.c. Any separation from employment or transfer of employment from the Federal Veterans Administration Hospital where the limited licensee is employed.

5.3. Any failure of a limited licensee to make a required report as set forth in Section 5.2 shall constitute dishonorable, unprofessional or unethical conduct which may result in the imposition of discipline against the licensee.

§11-11-6. Conversion of Limited License to Standard License.

6.1. The board may permit a limited licensee to transfer the authorized practice location associated with his or her limited license if the licensee has transferred to a different Federal Veterans Administration Hospital located in this state, and a designated state veterans nursing home exists in the county where the limited licensee has transferred.

6.2. The board may convert the limited license to practice at a designated state veterans nursing home to a standard license upon submission of a complete application and the appropriate fee by a limited licensee who meets the requirements for a standard license.

§11-11-7. Termination of Limited License.

7.1. A limited license to practice medicine and surgery at a designated state veterans nursing home facility shall automatically terminate if:

7.1.a. The limited licensee is no longer employed at the Federal Veterans Administration Hospital which is located in the same county as the designated state veterans nursing home facility for which the limited license was issued;

7.1.b. The limited licensee is no longer practicing, or no longer authorized to practice, at the Federal Veterans Administration Hospital which is located in the same county as the designated state veterans nursing home facility for which the limited license was issued; or
