2021-09-22 10:23:40	Andrew Pritt Computation of (ADA) and (ADM) Braxton County High School Heaters West	§126-201-1. General. This is a good and solid thing to incorporate with the schools systems to keep the students in school and distant learning (virtual learning) accountable for their attendance. Most kids within our school or within distant leaning doesn think attendance matter or that it can effect the school or them. With the passing of this it will ensure that kids are in school and doing their work. This will also help the grades, testing scores, and a more accurate look into what the school need to work on.
