

WEST VIRGINIA SECRETARY OF STATE

MAC WARNER

ADMINISTRATIVE LAW DIVISION

eFILED

4/20/2022 11:13:50 AM

Office of West Virginia
Secretary Of State

**NOTICE OF FINAL FILING AND ADOPTION OF A LEGISLATIVE RULE AUTHORIZED
BY THE WEST VIRGINIA LEGISLATURE**

AGENCY: Osteopathic Medicine

TITLE-SERIES: 24-02

RULE TYPE: Legislative Amendment to Existing Rule: Yes Repeal of existing rule: No

RULE NAME: Osteopathic Physician Assistants

CITE STATUTORY AUTHORITY: W. Va. Code § 30-1-7(a), § 30-3E-3(a)(1)-(9), and § 30-1D-1(d)

The above rule has been authorized by the West Virginia Legislature.

Authorization is cited in (house or senate bill number) SB334

Section 64-9-14 Passed On 3/12/2022 12:00:00 AM

This rule is filed with the Secretary of State. This rule becomes effective on the following date:

May 1, 2022

This rule shall terminate and have no further force or effect from the following date:

August 01, 2027

BY CHOOSING 'YES', I ATTEST THAT THE PREVIOUS STATEMENT IS TRUE AND CORRECT.

Yes

Chase Holcomb -- By my signature, I certify that I am the person authorized to file legislative rules, in accordance with West Virginia Code §29A-3-11 and §39A-3-2.

TITLE 24
LEGISLATIVE RULES
WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE

SERIES 2
OSTEOPATHIC PHYSICIAN ASSISTANTS

§24-2-1. General.

1.1. Scope. -- This rule relates to physician assistants and to their licensing, practice, complaint procedures and professional discipline, and continuing education.

1.2. Authority. -- W. Va. Code § 30-1-7(a), W. Va. Code § 30-3E-3(a)(1)-(9), and W. Va. Code § 30-1D-1(d).

1.3. Filing Date. -- April 20, 2022.

1.4. Effective Date. -- May 1, 2022.

1.5. Sunset Provision. -- This rule shall terminate and have no further force or effect upon August 1, 2027.

§24-2-2. Definitions.

2.1. For purposes of this rule, the following words and terms mean the following:

2.1.a. “Active practice notification” means a practice notification which is currently in effect.

2.1.b. “Ambulatory surgical facility” means a facility which provides surgical treatment to patients not requiring hospitalization. This definition does not include the legally authorized practice of surgery by any one or more persons in the private office of any health care provider.

2.1.c. “Antineoplastics” means chemotherapeutic agents used in the active treatment of current cancer.

2.1.d. “Authorization to practice” means written notification from the Board that a physician assistant may commence practice in collaboration with physicians pursuant to an active practice notification.

2.1.e. “Board” means the West Virginia Board of Osteopathic Medicine.

2.1.f. “Chronic condition” means a condition which lasts three months or more, generally cannot be prevented by vaccines, can be controlled but not cured by medication and does not generally disappear. Anemia, anxiety, arthritis, asthma, bladder outlet obstruction, cardiovascular and pulmonary disease,

cancer, controlled diabetes, epilepsy and seizures, thyroid disease, and obesity are examples of chronic conditions. For the purpose of this rule, chronic condition does not include chronic pain.

2.1.g. “Collaborating Physician” means a doctor of osteopathic medicine, medicine, or podiatry, who is authorized to practice in West Virginia by the appropriate board in this state, without restriction or limitation, who collaborates with physician assistants.

2.1.h. “Collaboration” means overseeing the activities of the medical services rendered by a physician assistant. Constant physical presence of the collaborating physician is not required as long as the collaborating physician and physician assistant are, or can be, easily in contact with one another by telecommunication. Collaboration does not require the personal presence of the collaborating physician at the place or places where services are rendered.

2.1.i. “Controlled substances” means drugs that are classified by federal or state law in Schedules I, II, III, IV or V, as defined in W. Va. Code §§ 60A-2-204 through 212.

2.1.j. “Core duties” means medical acts that are included in the standard curricula of accredited physician assistant education programs.

2.1.k. “Drug diversion training and best practice prescribing of controlled substances training” means training which includes all of the following:

2.1.k.1. Drug diversion, including West Virginia statistics on prescription drug abuse and resulting deaths.

2.1.k.2. Epidemiology of chronic pain and misuse of opioids.

2.1.k.3. Indication for opioids in chronic pain treatment including general characteristics, toxicities and drug interactions.

2.1.k.4. Examination of patient evaluation and risk assessment and tools to assess risk and monitor benefits.

2.1.k.5. Initiation and ongoing management of chronic pain patient treated with opioid based therapies, including treatment objectives; monitoring and periodic review; referrals and consultations; informed consent; prescription of controlled substance agreements, urine screens and pill counts; patient education on safe use, storage and disposal of opioids; discontinuation of opioids for pain due to lack of benefits or increased risks; documentation and medical records.

2.1.k.6. Case study of a patient with chronic pain.

2.1.k.7. Identification of diversion and drug seeking tactics and behaviors.

2.1.k.8. Best practice methods for working with patients suspected of drug seeking behavior and diversion.

2.1.k.9. Compliance with controlled substances laws and rules.

2.1.k.10. Training on prescribing and administration of an opioid antagonist.

2.1.k.11. Registration with and use of the West Virginia Controlled Substances Monitoring Program established in W. Va. Code § 60A-9-1 *et seq.*

2.1.k.12. Information related to substance use disorder treatment referral, including but not limited to programs and initiatives developed through the Governor's Council on Substance Abuse Prevention and Treatment, the Governor's Committee on Crime, Delinquency, and Correction, and/or W. Va. Code § 15-9-7.

2.1.k.13. Maintenance of a record of attendance of each individual who successfully completes the drug diversion training and best practice prescribing of controlled substances training.

2.1.k.14. Training on the impacts of stigma on treatment effectiveness including the concept of addiction as a chronic disease.

2.1.k.15. Introduction to Medication for Opioid Use Disorder (MOUD) and training on the effectiveness of MOUD treatment including the use of full opioid agonist, partial opioid agonist, and opioid antagonists.

2.1.l. "Endorsement" means a summer camp or volunteer endorsement to practice as a physician assistant under W. Va. Code § 30-3E-1.

2.1.m. "Health Care Facility" means any licensed hospital, nursing home, extended care facility, state health or mental institution, clinic or physician's office.

2.1.n. "Hospital" means a facility licensed pursuant to W. Va. Code § 16-5B-1 *et seq.*

2.1.o. "License" means a license issued by the Board to a physician assistant applicant pursuant to the provisions of W. Va. Code § 30-3E-1 *et. seq.* and the provisions of this legislative rule.

2.1.p. "Licensee" means a physician assistant licensed pursuant to the provisions of W. Va. Code § 30-3E-1 *et. seq.* and the provisions of this legislative rule.

2.1.q. "Licensure" means the process of application to the Board and the Board's consideration and approval of individuals to practice as a physician assistant in collaboration with physicians.

2.1.r. "NCCPA" means The National Commission on the Certification of Physician Assistants.

2.1.s. "Opioid" means natural and semi-synthetic derivatives of the opium poppy, as well as similar synthetic compounds that have analgesic or pain-relieving properties because of their effects in the central nervous system. These include, but are not limited to, codeine, morphine, hydromorphone, hydrocodone, oxycodone, methadone, and fentanyl.

2.1.t. “Medical Board” means the West Virginia Board of Medicine.

2.1.u. “Physician” means a doctor of allopathic or osteopathic medicine who is fully licensed by this Board or the Board of Medicine to practice medicine or surgery in this state.

2.1.v. “Physician Assistant” means a person who meets the qualifications set forth in the Physician Assistants Practice Act, W. Va. Code § 30-3E-1 *et seq.*, and is licensed to practice medicine with a collaborating osteopathic physician. Physician assistant also means an individual who holds a physician assistant license in another state and an interstate telehealth registration issued by this Board.

2.1.w. “Practice notification” means a written notice to the Board that a physician assistant will practice in collaboration with one or more physicians in the state of West Virginia.

2.1.x. “Practice setting” means the type of practice environment, and includes hospitals, ambulatory surgical facilities, clinics, private medical offices, and long term care facilities.

2.1.y. “Prescription drug” means a drug that may be dispensed under federal or state law only pursuant to the prescription of an authorized prescriber.

2.1.z. “Prescriptive authority” means the authority of a physician assistant to prescribe, order, administer or dispense prescription drugs.

2.1.aa. “Primary place of practice” means each practice location where a physician assistant practices greater than twenty percent of his or her total monthly practice hours pursuant to an active practice notification. This term includes each practice location where a physician assistant is registered as a controlled substance dispensing practitioner, even if the dispensing location would not otherwise qualify as a primary place of practice.

2.1.bb. “Protocol” means written treatment instructions prepared by a collaborating physician for use by a physician assistant. The instructions should be flexible, in accordance with the setting where the physician assistant is employed.

2.1.cc. “Registrant” means a physician assistant issued an interstate telehealth registration by the Board pursuant to W. Va. Code § 30-1-26.

2.1.dd. “Registration” means an authorization to practice in collaboration with physicians issued by the Board pursuant to W. Va. Code § 30-1-26 for the limited purpose of providing interstate telehealth services.

2.1.ee. “Reporting period” means the two-year period preceding the renewal deadline for a license issued by the Board.

2.1.ff. “Website” or “Board’s website” means the set of related web pages operated by or on behalf of the West Virginia Board of Osteopathic Medicine located at the domain name www.wvbdosteo.org, or at any successor domain name published by the Board.

§24-2-3. Qualification and Application for Licensure to Practice as a Physician Assistant.

3.1. Minimum qualifications for licensure as a physician assistant are set forth in W. Va. Code § 30-3E-4.

3.2. An application for a license to practice as a physician assistant shall be completed on a form provided by the Board, which is available on the Board's website. The Board shall not consider an application or decide upon the issuance of a license to an applicant until the complete application, including all third-party documentation or verification, is on file with the Board and the Board has had at least fifteen days to review the application. An application for licensure must be accompanied by payment of a nonrefundable application fee in an amount established by 24 CSR 5, unless the applicant has applied for and been granted an initial licensing fee waiver as set forth in 24 CSR 8.

3.3. The Board's physician assistant licensure application shall include, and applicants must provide, the following information:

3.3.a. The applicant's name, email address, home address, preferred mailing address and primary practice location address(es) telephone numbers and email address;

3.3.b. Demographic information of the applicant, such as date of birth, sex, etc.;

3.3.c. A photograph taken within the previous twelve (12) months which substantially resembles the applicant;

3.3.d. Documentation establishing that the applicant:

3.3.d.1. Obtained a baccalaureate or master's degree from an accredited program of instruction for physician assistants; or

3.3.d.2. Graduated from an approved program of instruction in primary health care or surgery prior to July 1, 1994;

3.3.e. Documentation that the applicant has passed the Physician Assistant National Certifying Examination administered by the NCCPA and documentation establishing that the applicant:

3.3.e.1. Has a current certification from the NCCPA; or

3.3.e.2. Has a current license in good standing from a state that does not require a physician assistant to maintain national certification;

3.3.f. Documentation and/or certification which establishes that the applicant does not hold a physician assistant license, certification or registration in any jurisdiction which is currently suspended or revoked;

3.3.g. Other information as determined by the Board which relates to whether the applicant is mentally and physically able to engage safely in practice as a physician assistant; and

3.3.h. Any additional information identified by the Board for licensure.

3.3.i. Submission to a state and national criminal history record check, based on fingerprints submitted to the West Virginia State Police or its assigned agent for forwarding to the Federal Bureau of Investigation, pursuant to W. Va. Code § 30-1D-1 *et seq.* The applicant must pay all costs associated with the criminal history record check. Should criminal offenses be reported on an applicant's criminal history record check, the Board shall consider the nature, severity, and recency of offenses, as well as rehabilitation and other factors on a case by case basis for licensure. Criminal history record checks shall be verified by a source acceptable to the Board, other than the applicant.

3.4. The Board may require production of original documents and/or certified documents in support of an application for licensure. The applicant shall provide all documentation required by the Board and the West Virginia Code. The application, together with all documents submitted, becomes the property of the Board and will not be returned.

3.5. Any applicant may be required to appear before Board members at a meeting at which his or her application may be considered. The purpose of required attendance at a Board meeting is to enable the Board to clarify information contained in the application.

3.6. The burden of satisfying the Board of the applicant's qualifications for licensure is upon the applicant. The Board may deny an application for a physician assistant license to any applicant determined to be unqualified for licensure by the Board.

§24-2-4. Special Licenses and/or Endorsements.

4.1. To the extent authorized by W. Va. Code § 30-3E-15, a physician assistant licensed by this Board may apply for an endorsement to practice at a summer camp or as a volunteer at a community event by completing the application form prepared by the Board. No application fee shall be assessed with respect to an application made under this section. The Board may authorize its staff to issue summer camp and community event endorsements to any applicant who holds an unrestricted license issued by the Board and has submitted a complete and timely application.

4.2. To the extent authorized by W. Va. Code § 30-3E-16, a physician assistant currently holding a license, registration or certification to practice in another jurisdiction may apply for an endorsement to practice at a summer camp or as a volunteer at a community event by completing the application form prepared by the Board and submitting a fee equal to the fee set by the Board.

4.3. The Board shall not consider an application for a summer camp or a community event volunteer license or endorsement made pursuant to W. Va. Code § 30-3E-16 until the complete application is on file with the Board, the appropriate fee has been submitted, and the Board has had at least fifteen days to review the application.

4.4. To the extent authorized by W. Va. Code § 30-1-21, a physician assistant currently holding a license, registration or certification to practice in another jurisdiction may apply for an authorization to serve as a volunteer without compensation for a charitable function for a period not to exceed ten days by submitting a Board-approved authorization form at least ten days in advance of the charitable function. No fee shall be charged in association with requests made pursuant to this subsection. The Board may authorize its staff to authorize the charitable practice if the physician assistant meets the eligibility criteria set forth in W. Va. Code § 30-1-21.

§24-2-5. License Renewal.

5.1. With the exception of an initial license, a license to practice as a physician assistant is issued for a term of two (2) years. An initial license expires on the thirty-first day of March two years from the initial issuance for physician assistant license renewal. Physician assistants whose initial licenses are issued between the first of January and the thirty-first day of March are not required to renew their license prior to the thirty-first day of March.

5.2. A license shall expire, if not renewed by the renewal deadline, which shall be set by the Board and published on the Board's website.

5.3. A physician assistant license shall be renewed upon timely submission of a fully completed renewal application form and payment of a nonrefundable renewal fee in an amount established by the Board under 24 CSR 5.

5.4. The Board shall make available to each licensee a renewal form on the Board's website. The licensee shall inform the Board of the licensee's preferred mailing address and alert the Board of any changes or updates to the preferred mailing address on record with the Board.

5.5. The licensee shall acquire and submit renewal application forms. Failure of the licensee to receive notice of required renewal from the Board shall not constitute justification for any physician assistant to practice on an expired license, even if the physician assistant is otherwise authorized to practice as a physician assistant under a practice notification.

5.6. The Board's physician assistant renewal application form shall include, and applicants must provide, the following information:

5.6.a. The applicant's name, email address, home address, preferred mailing address, primary practice location address(es), and telephone numbers;

5.6.b. Demographic information of the applicant, such as date of birth, sex, etc.;

5.6.c. A statement concerning any disciplinary action taken against the applicant in the last two (2) years in any jurisdiction;

5.6.d. A statement of all other jurisdictions in which the applicant is licensed to practice as a physician assistant;

5.6.e. The renewal applicant's NCCPA certification status;

5.6.f. Certification of successful completion of all continuing education requirements; and

5.6.g. An attestation by the physician assistant and collaborating physician that, to the extent he or she has been authorized to practice during the last two (2) years, the physician assistant has practiced in collaboration with the physician and within the delegation of duties set forth in the licensee's authorized practice agreement(s) and/or pursuant to an active practice notification.

5.7. The license of a physician assistant who fails to certify his or her successful completion of all continuing education requirements by the renewal deadline established by the Board shall automatically expire.

§24-2-6. Reporting of NCCPA Certification Status and Professional Designation.

6.1. A physician assistant shall accurately report his or her NCCPA certification status on applications and forms of the Board.

6.2. A physician assistant who has a current certification from the NCCPA may use the professional designation of PA-C. A physician assistant who is not currently certified by the NCCPA shall use the professional designation of PA.

§24-2-7. Reinstatement and Reactivation of License.

7.1. A physician assistant may seek reinstatement of an expired license within one year of the expiration by submitting:

7.1.a. A complete reinstatement application, which is available on the Board's website, with all required supporting documentation;

7.1.b. Certification that the renewal applicant has completed all required continuing education for the previous reporting period, and documentation satisfactory to the Board corroborating the applicant's certification of continuing education compliance;

7.1.c. A renewal fee; and

7.1.d. A reinstatement fee equal to fifty percent of the renewal fee.

7.2. If more than one year has passed since a physician assistant's license automatically expired, the former licensee shall apply anew for licensure pursuant to section 3 of this rule. If licensure is granted, the Board shall reactivate the license and reissue the individual's original license number. A license granted pursuant to this subsection does not constitute an initial license.

§24-2-8. Collaborative Practice Requirements.

8.1. A physician assistant may not practice independently.

8.2. Physician assistants who are authorized to practice in West Virginia shall practice in collaboration with physicians.

8.3. Physician assistants who are authorized to practice in West Virginia may also collaborate and consult with other providers, in addition to collaborating physicians, to facilitate a team-based patient-centered practice.

8.4. Physicians and physician assistants who collaborate shall not allow an employment arrangement to:

8.4.a. Interfere with sound clinical judgment;

8.4.b. Diminish or influence the practitioner's ethical obligation to patients; or

8.4.c. Exert undue influence on, or interfere with the robustness of, the collaborative relationship.

§24-2-9. Physician Assistant's Scope of Practice.

9.1. A physician assistant shall have, as a minimum, the knowledge and competency to perform the following core duties with appropriate physician collaboration:

9.1.a. Screen patients to determine the need for medical attention;

9.1.b. Review patient records to determine health status;

9.1.c. Take a patient history;

9.1.d. Perform a physical examination;

9.1.e. Perform development screening examinations on children;

9.1.f. Record pertinent patient data;

9.1.g. Make decisions regarding data gathering and appropriate management and treatment of patients being seen for the initial evaluation of a problem or the follow-up evaluation of a previously diagnosed and stabilized condition;

9.1.h. Prepare patient summaries;

9.1.i. Initiate requests for commonly performed initial laboratory studies;

9.1.j. Collect specimens for and carry out commonly performed blood, urine and stool analyses and cultures;

9.1.k. Identify normal and abnormal findings in patient history and physical examination and in commonly performed laboratory studies;

9.1.l. Initiate appropriate evaluation and emergency management for emergency situations; for example, cardiac arrest, respiratory distress, injuries, burns and hemorrhage;

9.1.m. Provide counseling and instruction regarding common patient problems and/or questions;

9.1.n. Execute documents at the direction of and for the collaborating physician;

9.1.o. Perform clinical procedures such as, but not limited to:

9.1.o.1. Venipuncture;

9.1.o.2. Electrocardiogram;

9.1.o.3. Care and suturing of minor lacerations, which may include injection of local anesthesia;

9.1.o.4. Casting and splinting;

9.1.o.5. Control of external hemorrhage;

9.1.o.6. Application of dressings and bandages;

9.1.o.7. Removal of superficial foreign bodies;

9.1.o.8. Cardiopulmonary resuscitation;

9.1.o.9. Audiometry screening;

9.1.o.10. Visual screening; and

9.1.o.11. Carry out aseptic and isolation techniques;

9.1.p. Assist in surgery;

9.1.q. Prepare patient discharge summaries if physician assistant has been directly involved in patient care; and

9.1.r. Assist physician under personal collaboration in a manner by which to learn and become proficient in new procedures.

9.2. In addition to core duties, a physician assistant may perform medical acts commensurate with his or her education, training, and experience, which the physician assistant is competent to perform, and

consistent with the rules of the Board. The physician assistant may only perform medical acts consistent with sound medical practice and that will protect the health and safety of the patient.

9.3. A physician assistant may pronounce death provided that:

9.3.a. The physician assistant is in compliance with subsection 9.2 of this rule;

9.3.b. The physician assistant has a need to do so within his or her scope of practice; and

9.3.c. That the pronouncement is in accordance with applicable West Virginia law and rules.

9.4. A physician assistant may augment the physician's data gathering abilities to assist the collaborating physician in reaching decisions and instituting care plans for the physician's patients.

9.5. A physician assistant may provide an authorized signature, certification, stamp, verification, affidavit or endorsement on documents within the scope of his or her practice including, but not limited to the following:

9.5.a. Unless prohibited by the place of practice, a physician assistant may sign orders within the scope of his or her practice, including discharge orders for patients personally treated by the physician assistant;

9.5.b. Medical certifications for death certificates if the physician assistant has received training on the completion thereof;

9.5.c. Instruments related to scope and limitation of treatment, including:

9.5.c.1. Physician orders for life sustaining treatment;

9.5.c.2. Physician orders for scope of treatment; and

9.5.c.3. Do not resuscitate forms.

9.5.d. Disability medical evaluations and/or certifications for persons with disabilities in support of a hunting or fishing permit; and

9.5.e. Utility company forms or certifications requiring maintenance of utilities regardless of ability to pay.

9.5.f. Governmental forms as permitted by law including, but not limited to parking applications for mobility impaired persons; and

9.5.g. Durable medical equipment.

9.6. A physician assistant may prescribe, order, administer or dispense medications in accordance with the provisions of this rule.

§24-2-10. Requirements for Practice Authorization.

10.1. A physician assistant may practice in collaboration with physicians in any practice setting pursuant to a practice notification which has been filed with and activated by the Board in accordance with W. Va. Code § 30-3E-10a and this rule. A physician assistant shall not commence practicing pursuant to a practice notification until he or she has received written authorization from the Board.

§24-2-11. Practice Notifications.

11.1. Before a physician assistant may practice in collaboration with physicians, the physician assistant and a health care facility shall file a practice notification with the Board.

11.2. A practice notification shall be completed on a form provided by the Board and shall be accompanied by the appropriate fee. The fee for the submission of a practice notification shall be one hundred dollars (\$100) until such time as a different fee is established by 24 CSR 5. Practice notification forms can be found on the Board's website.

11.3. A physician assistant may not commence practice pursuant to a practice notification until the Board provides written notification to the physician assistant and health care facility that a complete practice notification has been filed with the Board. The Board's written notification activates the practice notification and provides the physician assistant with authorization to practice in the identified health care facility.

11.4. A practice notification shall include:

11.4.a. The full name, license number, preferred mailing address, telephone number, and email address of the physician assistant;

11.4.b. The name and address of each health care facility where the physician assistant will practice pursuant to the practice notification;

11.4.c. Verification that the physician assistant meets the qualifications for prescriptive authority, including the completion of a minimum of three hours of drug diversion training and best practice prescribing of controlled substances training through a Board approved course within two years of the practice notification filing date;

11.4.d. The name, job title, email address and contact information of the health care facility representative who is responsible for executing the practice notification and ensuring compliance with the provisions of the certification; and

11.4.e. Certification by the physician assistant and the health care facility that:

11.4.e.1. The physician assistant shall practice in collaboration with physicians;

11.4.e.2. The physician assistant shall practice in conformity with the physician assistant's education, training and experience and in accord with the delineation of privileges granted to the physician assistant or other credentialing requirements of the health care facility;

11.4.e.3. The physician assistant holds a license issued by the Board to practice as a physician assistant or an interstate telehealth registration issued by the Board pursuant to W. Va. Code § 30-1-26;

11.4.e.4. The physician assistant meets the requirements for prescriptive authority and shall exercise prescriptive authority in conformity with section twelve of this rule; and

11.4.e.5. The physician assistant shall notify the Board upon the cessation of the physician assistant's practice pursuant to the practice notification.

11.4.f. If a physician assistant who files a practice notification holds a license which is subject to probation or any practice restriction or limitation, the practice notification shall be accompanied by:

11.4.f.1. A description of the physician assistant's practice restrictions or limitations;

11.4.f.2. Certification by the health care facility representative completing the practice notification that the health care facility is aware of all such practice restrictions or limitations;

11.4.f.3. Certification by the physician assistant and the health care facility representative that the physician assistant's practice shall comport with all practice restrictions or limitations.

11.5. A practice notification is complete when it conforms to the requirements of this section and is accompanied by the appropriate fee. The Board may return an incomplete practice notification unprocessed and may request additional information from the health care facility or physician assistant to obtain information necessary to complete the practice notification.

11.6. Within 60 days of receipt of a complete practice notification and the appropriate fee, the Board shall provide the physician assistant and health care facility written notice that the physician assistant is authorized to practice in the identified health care facility or facilities.

11.7. A physician assistant with an active practice notification on file with the Board may only practice within the health care facility or facilities identified in the practice notification.

11.8. A physician assistant may list more than one health care facility on a single practice notification if each of the facilities is operated under the same corporate umbrella and the health care facility representative identified in section 11.4.d of this rule is authorized and responsible for executing the practice notification and ensuring compliance with the provisions of the practice notification certification at every health care facility listed on the practice notification.

11.9. A new practice notification, with the required fee, must be filed for approval by the Board if the physician assistant seeks to practice at a health care facility not listed in an active practice notification.

11.10. A practice notification automatically terminates if:

11.10.a. The physician assistant's license expires:

11.10.b. The physician assistant ceases practice at the health care facility or facilities listed in the practice notification; or

11.10.c. The physician assistant is no longer credentialed to practice at the health care facility or facilities listed in the practice notification.

11.11. A physician assistant with more than one health care facility on an active practice notification shall notify the Board within ten days if he or she ceases practicing, or is no longer credentialed to practice, at one of the health care facilities included in the practice notification. The practice notification shall not terminate, but shall no longer authorize practice at the health care facility identified by the physician assistant as a former practice location.

11.12. A health care facility or a physician assistant may terminate a practice notification. A physician assistant shall immediately cease practicing upon the termination of a practice notification. The physician assistant must notify the Board, in writing, within ten days of the termination of any practice notification.

11.13. A physician assistant may simultaneously practice pursuant to one or more active practice notifications.

§24-2-12. Prescriptive Authority Pursuant to a Practice Notification.

12.1. A physician assistant practicing pursuant to an active practice notification has prescriptive authority to prescribe, order, administer and/or dispense medication in the course of his or her practice in a health care facility subject to the provisions of this section.

12.2. The physician assistant's exercise of prescriptive authority pursuant to a practice notification shall comply with:

12.2.a. Applicable federal and state law governing the practice of physician assistants;

12.2.b. The Board-approved limitations on physician assistant prescriptive authority; and

12.2.c. Any policies or prescriptive authority protocols of the health care facility which further limit or restrict the physician assistant's prescriptive authority.

12.3. On an annual basis, the Board shall approve and publish a list classifying pharmacologic categories of all drugs which are not within a physician assistant's prescriptive authority.

12.3.a. This list shall, at a minimum, exclude the following drugs from physician assistant prescriptive authority:

12.3.a.1. Schedules I and II of the Uniform Controlled Substances Act: *Provided*, That a physician assistant may prescribe no more than a three-day supply, without refill, of a drug listed in the Uniform Controlled Substances Act as a Schedule II drug;

12.3.a.2. Antineoplastics

12.3.a.3. Radio-pharmaceuticals; and

12.3.a.4. General anesthetics.

12.3.b. The prescriptive authority for physician assistants with respect to medications listed under Schedule III of the Uniform Controlled Substances Act shall be limited to a 30-day supply without refill.

12.3.c. The limitations on physician assistant prescriptive authority set forth in this subsection do not apply to:

12.3.c.1. Medications administered or dispensed by a physician assistant in a hospital pursuant to physician orders; or

12.3.c.2. The ordering of medications for hospital patients by a physician assistant who is authorized and/or credentialed by the hospital to issue such orders.

12.4. A physician assistant's exercise of prescriptive authority shall be entered on the patient's chart.

12.5. Physician assistants who issue prescriptions for Schedules II through V controlled substances for patients to be filled after the patient leaves the hospital shall include the Federal Drug Enforcement Administration number issued to that physician assistant.

12.6. If permitted by the health care facility, a physician assistant may administer local anesthetics.

12.7. When exercising prescriptive authority, a physician assistant shall comply with the requirements of this rule and the requirements of the West Virginia Board of Pharmacy, other applicable state and federal laws, rules and regulations, and all applicable standards of care.

12.8. All prescriptions, including electronic prescriptions, written by the physician assistant must include the physician assistant's name, professional designation, practice location, telephone number, signature, license number issued by the Board, and any other information required by state and federal law.

12.9. A physician assistant may not prescribe, administer, order or dispense medications outside of the health care facility or facilities identified in his or her active practice notification.

§24-2-13. Responsibilities of Physicians Collaborating with Physician Assistants Pursuant to Practice Notifications.

13.1. Unless otherwise prohibited by a health care facility, a physician who practices at a health care facility may collaborate with any physician assistant who holds an active practice notification with the same facility.

13.2. A physician collaborating with a physician assistant shall observe, direct, and evaluate the physician assistant's work, records, and practices, as necessary for appropriate and meaningful collaboration.

13.3. A collaborating physician shall only collaborate with a physician assistant with respect to medical acts which are:

13.3.a. Within the physician's scope of practice;

13.3.b. Consistent with the physician assistant's education, training, and experience; and

13.3.c. Consistent with any credentialing requirements of the health care facility.

13.4. While collaboration does not require the constant physical presence of the collaborating physician, if the collaborating physician and physician assistant are, or can be, easily in contact with one

another by electronic communication, including but not limited to telecommunication, physician collaboration shall not exclusively occur through written communication, electronic communication, telecommunication or any combination thereof.

§24-2-14. Continuing Medical Education Requirements.

14.1. Successful completion of a minimum of one hundred hours of continuing education, with a minimum of 50 hours of Category 1, satisfactory to the Board during the preceding two-year period is required for the biennial renewal of a physician assistant license.

14.2. Types and categories of continuing medical education satisfactory to the Board for physician assistants are:

14.2.a. Continuing medical education designated as Category I by either the American Medical Association, American Osteopathic Association, American Academy of Physician Assistants or the Academy of Family Physicians.

14.2.b. Continuing medical education designated as Category II by either the American Medical Association, American Osteopathic Association, American Academy of Physician Assistants or the Academy of Family Physicians. A maximum of fifty hours of continuing medical education credit may be awarded for this category of activity.

14.2.c. Obtaining a master's degree from an accredited program of instruction for physician assistants within one year of the expiration of an initial license. A maximum of one hundred hours of continuing education credit may be awarded for this category of activity, but a physician assistant shall only be awarded ninety-seven hours of credit if the physician assistant is a mandatory participant in the continuing education activity described in subsection 14.3 of this rule.

14.3. Mandatory Continuing Education Activity for Physician Assistants. As a prerequisite to license renewal, a physician assistant who has prescribed, administered, or dispensed any controlled substance pursuant to a West Virginia license during the reporting period or who has practiced pursuant to an active practice notification during the reporting period shall complete a Board-approved continuing education activity for a minimum of three hours of drug diversion training and best practice prescribing of controlled substances training.

14.3.a. A physician assistant must complete this mandatory continuing education prior to submitting an initial practice notification.

14.3.b. The Board-approved drug diversion training and best practice prescribing of controlled substances training shall satisfy three of the one hundred required hours of continuing education for the reporting period.

14.3.c. The Board shall maintain and publish on its website a current list of all educational activities which have been approved by the Board to satisfy the drug diversion training and best practice prescribing of controlled substances training continuing education requirement.

14.3.d. A renewal applicant who has not prescribed, administered, or dispensed any controlled substances pursuant to a West Virginia license during the reporting period may seek a waiver of this continuing education requirement by completing the required attestation and waiver request listed on the application.

14.4. The Board shall include a certification of successful completion of required continuing education on its biennial renewal application. The certification shall require the renewal applicant to:

14.4.a. Certify successful completion of all required continuing education;

14.4.b. Attest to the truthfulness and accuracy of the renewal applicant's statements regarding continuing education activities;

14.4.c. Acknowledge that any license issued based upon the renewal application is based upon the truth and accuracy of the applicant's statements and that if false information is submitted in the application, such act constitutes good cause for the revocation of the renewal applicant's license to practice in the State of West Virginia; and

14.4.d. Sign and date the certification.

14.5. A license shall automatically expire if the certification required by subsection 14.4 is not submitted to the Board by the renewal deadline. An automatically expired license shall remain expired until a licensee successfully seeks reinstatement or reactivation of licensure.

14.6. The Board may conduct such audits and investigations as it considers necessary to assure compliance with continuing education requirements and to verify the accuracy of a renewal applicant's certification of continuing education by requiring copies of certificates validating the educational events and CEUs earned.

14.7. Upon written request of the Board to a licensee's preferred mailing address or email address of record with the Board, a licensee shall, within thirty days, submit written documentation satisfactory to the Board corroborating the licensee's renewal application certification of continuing education compliance.

14.8. Failure or refusal of a licensee to provide written documentation requested by the Board as set forth in subsection 14.7 of this rule is prima facie evidence of renewing a license to practice as a physician assistant by fraudulent misrepresentation and the licensee is subject to disciplinary proceedings.

§24-2-15. Identification and Compliance Audits.

15.1. Except as otherwise provided by law, when practicing as a physician assistant, a physician assistant must wear a name tag in a conspicuous manner which identifies the practitioner as a physician assistant. An individual may not identify himself or herself as a physician assistant unless licensed by this Board or the Medical Board.

15.2. A physician assistant shall keep his or her license and practice notification available for inspection at each of his or her primary places of practice.

15.3. A physician assistant shall notify the Board in writing of a change in the physician assistant's name or address within fifteen (15) days of the change.

15.4. The Board may review physician assistant utilization without prior notice to the physician assistant, the collaborating physician, or the practice setting. An authorized representative or investigator for the Board may, without prior notice, enter at any reasonable hour a place of employment or practice of a physician or physician assistant or into public premises:

15.4.a. For the purpose of an audit to verify general compliance with the Physician Assistants Practice Act and this legislative rule; or

15.4.b. To investigate an allegation or complaint with respect to a collaborating physician or physician assistant.

15.5. A person may not deny or interfere with an entry under this section.

15.6. The Board's representatives may require a physician, physician assistant, or facility where the physician assistant is employed or practicing to provide access to any records relating to the physician assistant's licensure, employment, credentialing, practice, and any medical records of patients seen by the physician assistant. It is a violation of this rule for a hospital, practice setting, collaborating physician or a physician assistant to refuse to undergo or cooperate with a review or audit by the Board.

15.7. The Board's representative shall refer possible compliance issues to the appropriate Committee of the Board and/or to any other agency that has jurisdiction over a facility, place of practice or practitioner.

§24-2-16. Mental and Physical Examination.

16.1. The Board under any circumstances may require a licensed physician assistant or a person applying for licensure or other authorization to practice as a physician assistant in this state to submit to a physical or mental examination by a physician or physicians approved by the Board. The expense of the examination shall be paid by the Board.

16.2. A physician assistant submitting to an examination has the right, at his or her expense, to designate another physician to be present at the examination and make an independent report to the Board.

16.3. Any individual who applies for or accepts the privilege of practicing as a physician assistant in this state is considered to have given his or her consent to submit to all examinations when requested to do so in writing by the Board and to have waived all objections to the admissibility of the testimony or examination report of any examining physician on the ground that the testimony or report is privileged communication.

16.4. If a person fails or refuses to submit to an examination under circumstances which the Board finds are not beyond his or her control, failure or refusal is prima facie evidence of his or her inability to practice as a physician assistant competently and in compliance with the standards of acceptable and prevailing physician assistant practice.

§24-2-17. License Denial, Complaint and Disciplinary Procedures.

17.1. The licensure denial, complaint and disciplinary process and procedures and appeal rights set forth in the contested case hearing procedure, W. Va. Code § 29A-5-1 *et seq.*, W. Va. Code §§ 30-14-11 and 30-14-12a and in the Board Procedural Rules W. Va. Code R. §§ 24-3-1 *et seq.* and 24-6-1 *et seq.*, also apply to physician assistants.

17.2. If the Board determines the evidence in its possession indicates that a physician assistant's continuation in practice or unrestricted practice constitutes an immediate danger to the public, the Board may take any of the actions provided in W. Va. Code R. § 24-6-5.17 on a temporary basis and without a hearing if institution of proceedings for a hearing before the Board are initiated simultaneously with the temporary action and begin within fifteen days of the action. The Board shall render its decision within five days of the conclusion of a hearing under this subsection.

§24-2-18. Denial of Licensure and Discipline.

18.1. The Board may deny an application for license, or other authorization to practice as a physician assistant and may discipline a physician assistant licensed by the Board who, after a hearing, has been adjudged by the Board as unqualified due to any of the following reasons:

18.1.a. Conduct by a physician assistant which is equivalent to any of the grounds cited for the discipline of physicians in W. Va. Code §§ 30-14-11 and 30-14-12a or section 18 of 24 CSR 1, "Licensing Procedures for Osteopathic Physicians;"

18.1.b. Failure to comply with any portion of this rule, the provisions of W. Va. Code § 30-3E-1 *et seq.* and any other rule of the Board;

18.1.c. Practicing as a physician assistant:

18.1.c.1. In the absence of an active practice notification;

18.1.c.2. Outside or beyond the scope of an active practice notification; or

18.1.c.3. Beyond his or her level of competence, education, training and/or experience;

18.1.d. Prescribing, ordering, administering, or dispensing a prescription drug:

18.1.d.1. That the physician assistant is not authorized to prescribe, order, administer or dispense;

18.1.d.2. That the Board has excluded from physician assistant prescriptive authority; or

18.1.d.3. In quantities or dosages that are inconsistent with the physician assistant's prescriptive authority and/or state or federal law or regulation;

18.1.e. Prescribing any controlled substance to or for himself or herself, or to or for any member of his or her immediate family;

18.1.f. Failure of a physician assistant to:

18.1.f.1. Notify the Board that a practice notification has been terminated in the required time frame;

18.1.f.2. Notify the Board that an active practice notification has been terminated in the required time frame; or

18.1.f.3. Maintain a copy of his or her license and active practice notification in each primary place of practice;

18.1.g. Impersonation of a licensed physician or another licensed physician assistant;

18.1.h. Misrepresentation that the physician assistant is a physician, that the physician assistant is currently certified by the NCCPA, or that the physician assistant holds any position for which he or she is not qualified by license, training, or experience;

18.1.i. Knowingly permitting another person to misrepresent the physician assistant as a physician;

18.1.j. Allowing an employment relationship to exert undue influence on sound clinical judgment or on the physician assistant's professional role and patient obligations; or

18.1.k. Misrepresentation or concealment of any material fact in obtaining any certification or license or a reinstatement of any certification or license related to his or her practice as a physician assistant.

18.2. If a physician assistant is found guilty of or pleads guilty or nolo contendere to any court of competent jurisdiction of any felony involving prescribing, selling, administering, dispensing, mixing or otherwise preparing any prescription drug, including any controlled substance under state or federal law, for other than generally accepted therapeutic purposes in a state or federal court of competent jurisdiction, the Board shall deny an application for licensure or revoke the physician assistant's license without resort to the procedures set forth in section 17 and 18 of this rule. A certified copy of the guilty verdict or plea rendered is sufficient proof for licensure denial or revocation.

18.3. If the Board determines that a physician assistant is unqualified, the Board may enter an order denying an application or imposing any limitation, restriction or other disciplinary measure set forth in W. Va. Code §§ 30-14-11 and 30-14-12a and/or section 18 of 24 CSR 1.

18.4. In their discretion, the Medical Board and this Board may refer and receive information from one another concerning:

18.4.a. Mutual applicants, registrants, and/or licensees;

18.4.b. Information developed during the complaint and investigation process of one board which implicates or otherwise relates to applicants, registrants, and/or licensees of the other board;

18.4.c. Complaints received or discovered by one board which relates to mutual applicants, registrants, and/or licensees or applicants, registrants, and/or licensees of the other board.
