PROVIDE A BRIEF SUMMARY OF THE CONTENT OF THE RULE:

This Legislative Rule is promulgated to provide for the general administration of the West Virginia Film Industry Investment Act, W. Va. Code §11-13X-1, et seq.

SUMMARIZE IN A CLEAR AND CONCISE MANNER CONTENTS OF CHANGES IN THE RULE AND A STATEMENT OF CIRCUMSTANCES REQUIRING THE RULE:

This Rule carries out the policy and purposes of the Statute, provides necessary clarification of the provisions of the Statute, and provides for the general administration of the Statute.

SUMMARIZE IN A CLEAR AND CONCISE MANNER THE OVERALL ECONOMIC IMPACT OF THE PROPOSED RULE:

A. ECONOMIC IMPACT ON REVENUES OF STATE GOVERNMENT:

This legislative rule provides guidance for the West Virginia Film Industry Investment Act. The legislation reinstates the Film Industry Tax Credit that was terminated by prior legislation effective January 26, 2018. The restored program will be administered by the West Virginia Office of Economic Development. The credit is effective for taxable years beginning on and after July 1, 2022, for expenditures made on and after July 1, 2022 until the sunset date of December 31, 2027. The legislation removes the maximum credit cap and increases the minimum expenditure threshold from \$25,000 per project to \$50,000 per year. Due to the lack of a credit cap, it is estimated that the legislation will result in a minimal loss to General Revenue Funds in FY2023 and an undeterminable loss in subsequent fiscal years. Additional administrative costs incurred by the State Tax Department would be \$20,000 in FY2023 and \$5,000 in subsequent fiscal years.

B. ECONOMIC IMPACT ON SPECIAL REVENUE ACCOUNTS:

This legislative rule provides guidance for the West Virginia Film Industry Investment Act. The legislation reinstates the Film Industry Tax Credit that was terminated by prior legislation effective January 26, 2018. The restored program will be administered by the West Virginia Office of Economic Development. The credit is effective for taxable years beginning on and after July 1, 2022, for expenditures made on and after July 1, 2022 until the sunset date of December 31, 2027. The legislation removes the maximum credit cap and increases the minimum expenditure threshold from \$25,000 per project to \$50,000 per year. Due to the lack of a credit cap, it is estimated that the legislation will result in a minimal loss to General Revenue Funds in FY2023 and an undeterminable loss in subsequent fiscal years. Additional administrative costs incurred by the State Tax Department would be \$20,000 in FY2023 and \$5,000 in subsequent fiscal years.
